Letter dated 18 September 2007 from the Permanent Representative of the Democratic Republic of the Congo to the United Nations addressed to the President of the Security Council

On instructions from my Government, I have the honour to inform you that on 6 September 2007, three mass graves were found on the Brigade Bravo base in Rubare, 12 km southwest of Rutshuru (about 40 km northwest of the provincial capital Goma). This base had been abandoned three days earlier by men under the command of Colonel Makenga, a sinister character whose bloodstained reputation follows him.

This gruesome discovery is yet another illustration of the homicidal mania that has possessed the criminal Laurent Nkundabatware, alias Laurent Nkunda.

My Government requests the Security Council to make every effort to help it enforce the international arrest warrant issued against Mr. Nkundabatware.

To this end, the Security Council should urge the United Nations Organization Mission in the Democratic Republic of the Congo to cooperate more fully with national and international efforts to put an end to impunity in this zone and bring to justice anyone found guilty of large-scale violations of human rights and international humanitarian law, in particular the criminal Laurent Nkundabatware, alias Laurent Nkunda.

I should be grateful if you would have the present letter circulated as a document of the Security Council.

(Signed) Atoki **Ileka**
Ambassador
