Annex to the letter dated 31 October 2005 from the Permanent Representative of the United States of America to the United Nations addressed to the President of the Security Council

Letter dated 29 October 2005 from the Secretary of State of the United States of America to the President of the Security Council

Having reviewed the request of the Government of Iraq to extend the mandate of the Multinational Force (MNF) in Iraq (S/2005/687) and following consultations with the Government of Iraq, I am writing to confirm, consistent with this request, that the MNF under unified command stands ready to continue to fulfil its mandate as set out in Security Council resolution 1546 (2004).

Since the end of the occupation on 28 June 2004, the Government of Iraq and the MNF have developed an effective and cooperative security partnership to address the evolving nature of Iraq's security environment, including the continuing need to prevent and deter acts of terrorism. This partnership plays a critical role in the daily efforts to improve security throughout Iraq. In the context of this partnership, the MNF is prepared to continue to undertake a broad range of tasks to contribute to the maintenance of security and stability and to ensure force protection, acting under the authorities set forth in resolution 1546 (2004), including the tasks and arrangements set out in the letters annexed thereto, and in close cooperation with the Government of Iraq. The forces that make up the MNF will remain committed to acting consistently with their obligations under international law, including the law of armed conflict.

Substantial progress has already been made in helping to build and train the Iraqi Security Forces (ISF), allowing them to take on increasing security responsibilities. The Government of Iraq and the MNF are developing a security plan to set forth the conditions necessary for transfer of security responsibility from the MNF to the ISF. Conditions permitting, we look forward to notable progress in the next year. Together, we will build towards the day when the Iraqi forces assume full responsibility for the maintenance of security and stability in Iraq.

The co-sponsors intend to annex the present letter to the resolution on Iraq under consideration. In the meantime, I request that you provide copies of the present letter to members of the Council as quickly as possible.

(Signed) Condoleezza **Rice**
