2. To welcome the initial efforts of the Government of Mali to launch a series of national consultative events on the situation in the north of Mali and to encourage further steps towards consolidating stability, advancing national reconciliation, fostering social cohesion and addressing the underlying causes of recurrent crises which have affected Mali; to assess progress on conflict mitigation and prevention activities at the national and local levels, including through local partners, and the national dialogue and reconciliation process, including through the participation of civil society.
3. To reiterate the urgent call of the Security Council for an inclusive and credible negotiation process open to all communities of the north of Mali, with the goal of securing a durable political resolution to the crisis and long-term peace and stability throughout the country, respecting the sovereignty, unity and territorial integrity of the Malian State, as called for in the Ouagadougou Preliminary Agreement of 18 June 2013.
4. To underscore the call of the Security Council for all the signatories of the Preliminary Agreement and those armed groups in the north of Mali that have cut off all ties with terrorist organizations and committed unconditionally to the Agreement to swiftly and fully implement its provisions, including the cantonment of armed groups, the progressive re-establishment of State administration throughout the country and the launching of inclusive and credible peace talks.
