Resolution 2230 (2015)

Adopted by the Security Council at its 7483rd meeting, on
14 July 2015

The Security Council,

Reaffirming its strong commitment to the sovereignty, independence, unity, and territorial integrity of Sudan and South Sudan, and to the purposes and the principles of the Charter of the United Nations, and recalling the importance of the principles of good neighbourliness, non-interference and regional cooperation,

Reiterating that the territorial boundaries of States shall not be altered by force, and that any territorial disputes shall be settled exclusively by peaceful means, affirming the priority it attaches to the full and urgent implementation of all outstanding issues from the Comprehensive Peace Agreement (CPA), and underscoring that the future status of Abyei shall be resolved by negotiations between the parties in a manner consistent with the CPA and not by the unilateral actions of either party,

Recalling the commitments made by the Government of Sudan and the Government of South Sudan in the 20 June 2011 Agreement between the Government of Sudan and the Sudan People’s Liberation Movement on Temporary Arrangements for the Administration and Security of the Abyei Area, the 29 June 2011 Agreement between the Government of the Sudan and the Government of South Sudan on Border Security and the Joint Political and Security Mechanism (JPSM), and the 30 July 2011 Agreement on the Border Monitoring Support Mission between the Government of Sudan and the Government of South Sudan, as well as the 27 September 2012 Agreements on Cooperation and Security Arrangements, the JPSM’s 8 March 2013 decision, and the Implementation Matrix of 12 March 2013, reached by the Government of Sudan and the Government of South Sudan in Addis Ababa under the auspices of the African Union High-level Implementation Panel (AUHIP),
Expressing its full support for the efforts of the African Union on the situation between the Republic of Sudan and the Republic of South Sudan, in order to ease the current tension, facilitate the resumption of negotiations on post-secession relations and the normalization of their relations, recalling in this regard the African Union Peace and Security Council (AUPSC) Communiqués of 24 April 2012, 24 October 2012, 25 January 2013, 7 May 2013, 29 July 2013, 23 September 2013, 26 October 2013, 12 November 2013 and 12 September 2014; the AUPSC Press Statements of 6 November 2013 and 24 March 2015; and the Statement from the Chairperson of the African Union Commission on 28 October 2013 and 24 June 2015 Statement from the African Union Commission,

Stressing the need for effective human rights monitoring, including of any sexual and gender-based violence and violations and abuses committed against women and children, taking note that there have been no developments with regard to the operationalization of human rights monitoring in the Abyei Area, and reiterating its concern at the lack of cooperation by the parties with the Secretary-General to this end,

Recalling that its resolution 2086 (2013) reiterates the importance, when establishing and renewing the mandates of United Nations Missions, of including provisions on the promotion of gender equality and the empowerment of women in post-conflict situations and on children and armed conflict, and emphasizing that persistent barriers to full implementation of resolution 1325 (2000) will only be dismantled through dedicated commitment to women’s empowerment, participation, and human rights, and through concerted leadership, consistent information and action, and support, to build women’s engagement in all levels of decision-making,

Noting with concern the minimum attention the parties have given to the management of the Abyei Area as well as the stalled efforts by the Government of Sudan and the Government of South Sudan to delineate or agree on the coordinates of, and demilitarize the Safe Demilitarized Border Zone (SDBZ), including the “14 Mile Area”, and to fully implement the Joint Border Verification and Monitoring Mechanism (JBVMM), in accordance with Security Council resolution 2046 (2012) and the AUPSC Roadmap of 24 April 2012, including as a result of the temporary unavailability of aircraft, South Sudan’s continued disagreement with the location of the SDBZ centrelime and the denial of flight clearances,

Underlining the importance of fully establishing and maintaining effective JBVMM monitoring of the SDBZ, including the “14 Mile Area”,

Recognizing the importance of regular meetings between President Bashir and President Salva Kiir for continuing dialogue, recalling the United Nations Security Council decision in resolution 2046 (2012) that the parties must resume immediately negotiations to reach agreement on Abyei final status under the auspices of the AUHIP, calling upon all parties to engage constructively in the
process mediated by the AUHIP towards final agreement on the final status of the Abyei Area, and stressing that the parties must immediately implement pending aspects of the 20 June 2011 Agreement, in particular to resolve the dispute over the Abyei Area Agreement, and to resolve the dispute over the Abyei Area Council, and immediately establish the Abyei Area Administration and Abyei Police Service,

Stressing that both countries and communities will have much to gain if they show restraint and choose the path of dialogue instead of resorting to violence or provocations,

Commending the continued assistance provided to the parties by the AUHIP, the Intergovernmental Authority on Development, the Federal Democratic Republic of Ethiopia, the Special Envoy of the Secretary-General for Sudan and South Sudan, and the United Nations Interim Security Force for Abyei (UNISFA),

Further commending the efforts of UNISFA in effectively carrying out its mandate, including by its ongoing facilitation of peaceful migration throughout the Abyei Area, conflict prevention, mediation and deterrence, expressing its deep appreciation for the work of the troop-contributing countries, strongly condemning the attacks on United Nations personnel, and calling for investigations of these attacks in a swift and thorough manner and to hold those responsible to account,

Underscoring concern for the fragility of the security situation in the Abyei Area, acknowledging UNISFA’s contribution to enhanced peace and stability since its deployment, and expressing its determination to prevent the recurrence of violence against or displacements of civilians and to avert intercommunal conflict,

Reiterating its deep concern regarding the public administration and rule of law vacuum in the Abyei Area, due to continued delays in the establishment of the Abyei Area Administration, Council and Police, including a special unit to deal with particular issues related to nomadic migration, which are essential to maintain law and order and prevent intercommunal conflict in Abyei, and in this regard, welcoming UNISFA’s efforts to support and strengthen community protection committees,

Noting with concern the continued delay in establishing the temporary institutions and resolving the final status of Abyei and that the continued threat of intercommunal violence contributes to heightened tensions in the Abyei Area, including those ongoing tensions that prevent UNISFA’s and other agencies’ Sudanese staff from returning to Abyei,

Urging all parties to refrain from any unilateral action that could aggravate intercommunal relations within the Abyei Area, expressing concern over the continued implications of what the AUPSC described in their 6 November 2013 press statement as “the decision by the Ngok Dinka to conduct a unilateral referendum” and also in this context, taking note that the Government of Sudan proceeded with its April 2015 national elections in Abyei,

Bearing in mind the current humanitarian situation in which humanitarian actors continue to provide assistance to approximately 81,000 people in the Abyei Area and the importance of coherence of United Nations assistance in the region, and further stressing the urgency of facilitating the delivery of humanitarian assistance to all affected populations,
Affirming the importance of voluntary, safe, dignified return and sustainable reintegration of displaced persons, and of peaceful and orderly migration cycles respecting the traditional migratory routes from Sudan to South Sudan through Abyei, and urging UNISFA to continue to take measures as necessary to ensure security in the Abyei Area in accordance with its mandate,

Recalling its resolution 2117 (2013), and expressing grave concern at the threat to peace and security in Abyei arising from the illicit transfer, destabilizing accumulation and misuse of small arms and light weapons, and in this regard, welcoming UNISFA’s progress on improving infrastructure and systems for weapons confiscation, storage and destruction,

Expressing concern about the residual threat of landmines and explosive remnants of war in the Abyei Area, which hinders the safe return of displaced persons to their homes and safe migration,

Taking note of the 29 April 2015 and 16 June 2015 Secretary-General’s Reports (S/2015/302 and S/2015/439), including the assessment that the political and security situation on the ground is relatively calm but unpredictable, and requires dialogue and cooperation to prevent it becoming more contentious, divisive, and destabilizing in the coming months, and the recommendations contained therein,

Recognizing that the current situation in Abyei and along the border between the Sudan and South Sudan continues to constitute a serious threat to international peace and security,

1. Decides to extend until 15 December 2015 the mandate of the United Nations Interim Security Force for Abyei (UNISFA) as set out in paragraph 2 of resolution 1990 (2011) and modified by resolution 2024 (2011) and paragraph 1 of resolution 2075 (2012), and acting under Chapter VII of the Charter of the United Nations, further decides to extend until 15 December 2015 the tasks of UNISFA as set out in paragraph 3 of resolution 1990 (2011), and determines that for the purposes of paragraph 1 of resolution 2024 (2011), support to the operational activities of the JBVMM shall include support to the Ad Hoc Committees, as appropriate when so requested by consensual decisions of these mechanisms, within UNISFA’s operational area and existing capabilities;
