ANNEX 1-A

AGREEMENT ON THE MILITARY ASPECTS OF THE PEACE SETTLEMENT

The Republic of Bosnia and Herzegovina, the Federation of Bosnia and Herzegovina, and the Republika Srpska (hereinafter the "Parties") have agreed as follows:

Article I

General Obligations

1. The Parties undertake to recreate as quickly as possible normal conditions of life in Bosnia and Herzegovina. They understand that this requires a major contribution on their part in which they will make strenuous efforts to cooperate with each other and with the international organizations and agencies which are assisting them on the ground. They welcome the willingness of the international community to send to the region, for a period of approximately one year, a force to assist in implementation of the territorial and other militarily related provisions of the agreement as described herein.

(a) The United Nations Security Council is invited to adopt a resolution by which it will authorize Member States or regional organizations and arrangements to establish a multinational military Implementation Force (hereinafter "IFOR"). The Parties understand and agree that this Implementation Force may be composed of ground, air and maritime units from NATO and non-NATO nations, deployed to Bosnia and Herzegovina to help ensure compliance with the provisions of this Agreement (hereinafter "Annex"). The Parties understand and agree that the IFOR will begin the implementation of the military aspects of this Annex upon the transfer of authority from the UNPROFOR Commander to the IFOR Commander (hereinafter "Transfer of Authority"), and that until the Transfer of Authority, UNPROFOR will continue to exercise its mandate.

(b) It is understood and agreed that NATO may establish such a force, which will operate under the authority and subject to the direction and political control of the North Atlantic

Council ("NAC") through the NATO chain of command. They undertake to facilitate its operations. The Parties, therefore, hereby agree and freely undertake to fully comply with all obligations set forth in this Annex.

(c) It is understood and agreed that other States may assist in implementing the military aspects of this Annex. The Parties understand and agree that the modalities of those States' participation will be the subject of agreement between such participating States and NATO.

2. The purposes of these obligations are as follows:

(a) to establish a durable cessation of hostilities. Neither Entity shall threaten or use force against the other Entity, and under no circumstances shall any armed forces of either Entity enter into or stay within the territory of the other Entity without the consent of the government of the latter and of the Presidency of Bosnia and Herzegovina. All armed forces in Bosnia and Herzegovina shall operate consistently with the sovereignty and territorial integrity of Bosnia and Herzegovina;

(b) to provide for the support and authorization of the IFOR and in particular to authorize the IFOR to take such actions as required, including the use of necessary force, to ensure compliance with this Annex, and to ensure its own protection; and

(c) to establish lasting security and arms control measures as outlined in Annex 1-B to the General Framework Agreement, which aim to promote a permanent reconciliation between all Parties and to facilitate the achievement of all political arrangements agreed to in the General Framework Agreement.

3. The Parties understand and agree that within Bosnia and Herzegovina the obligations undertaken in this Annex shall be applied equally within both Entities. Both Entities shall be held equally responsible for compliance herewith, and both shall be equally subject to such enforcement action by the IFOR as may be necessary to ensure implementation of this Annex and the protection of the IFOR.

Article II

Cessation of Hostilities

1. The Parties shall comply with the cessation of hostilities begun with the agreement of October 5, 1995 and shall continue to

refrain from all offensive operations of any type against each other. An offensive operation in this case is an action that includes projecting forces or fire forward of a Party's own lines. Each Party shall ensure that all personnel and organizations with military capability under its control or within territory under its control, including armed civilian groups, national guards, army reserves, military police, and the Ministry of Internal Affairs Special Police (MUP) (hereinafter "Forces") comply with this Annex. The term "Forces" does not include UNPROFOR, the International Police Task Force referred to in the General Framework Agreement, the IFOR or other elements referred to in Article I, paragraph 1(c).

2. In carrying out the obligations set forth in paragraph 1, the Parties undertake, in particular, to cease the firing of all weapons and explosive devices except as authorized by this Annex. The Parties shall not place any additional minefields, barriers, or protective obstacles. They shall not engage in patrolling, ground or air reconnaissance forward of their own force positions, or into the Zones of Separation as provided for in Article IV below, without IFOR approval.

3. The Parties shall provide a safe and secure environment for all persons in their respective jurisdictions, by maintaining civilian law enforcement agencies operating in accordance with internationally recognized standards and with respect for internationally recognized human rights and fundamental freedoms, and by taking such other measures as appropriate. The Parties also commit themselves to disarm and disband all armed civilian groups, except for authorized police forces, within 30 days after the Transfer of Authority.

4. The Parties shall cooperate fully with any international personnel including investigators, advisors, monitors, observers, or other personnel in Bosnia and Herzegovina pursuant to the General Framework Agreement, including facilitating free and unimpeded access and movement and by providing such status as is necessary for the effective conduct of their tasks.

5. The Parties shall strictly avoid committing any reprisals, counter-attacks, or any unilateral actions in response to violations of this Annex by another Party. The Parties shall respond to alleged violations of the provisions of this Annex through the procedures provided in Article VIII.

Article III

Withdrawal of Foreign Forces

1. All Forces in Bosnia and Herzegovina as of the date this Annex enters into force which are not of local origin, whether or not they are legally and militarily subordinated to the Republic of Bosnia and Herzegovina, the Federation of Bosnia and Herzegovina, or Republika Srpska, shall be withdrawn together with their equipment from the territory of Bosnia and Herzegovina within thirty (30) days. Furthermore, all Forces that remain on the territory of Bosnia and Herzegovina must act consistently with the territorial integrity, sovereignty, and political independence of Bosnia and Herzegovina. In accordance with Article II, paragraph 1, this paragraph does not apply to UNPROFOR, the International Police Task Force referred to in the General Framework Agreement, the IFOR or other elements referred to in Article I, paragraph 1(c).

2. In particular, all foreign Forces, including individual advisors, freedom fighters, trainers, volunteers, and personnel from neighboring and other States, shall be withdrawn from the territory of Bosnia and Herzegovina in accordance with Article III, paragraph 1.

Article IV

Redeployment of Forces

1. The Republic of Bosnia and Herzegovina and the Entities shall redeploy their Forces in three phases:

2. PHASE I

(a) The Parties immediately after this Annex enters into force shall begin promptly and proceed steadily to withdraw all Forces behind a Zone of Separation which shall be established on either side of the Agreed Cease-Fire Line that represents a clear and distinct demarcation between any and all opposing Forces. This withdrawal shall be completed within thirty (30) days after the Transfer of Authority. The precise Agreed Cease-Fire Line and Agreed Cease-Fire Zone of Separation are indicated on the maps at Appendix A of this Annex.

(b) The Agreed Cease-Fire Zone of Separation shall extend for a distance of approximately two (2) kilometers on either side of the Agreed Cease-Fire Line. No weapons other than those of the IFOR are permitted in this Agreed Cease-Fire Zone of Separation

except as provided herein. No individual may retain or possess any military weapons or explosives within this four kilometer Zone without specific approval of the IFOR. Violators of this provision shall be subject to military action by the IFOR, including the use of necessary force to ensure compliance.

(c) In addition to the other provisions of this Annex, the following specific provisions shall also apply to Sarajevo and Gorazde:

SARAJEVO

(1) Within seven (7) days after the Transfer of Authority, the Parties shall transfer and vacate selected positions along the Agreed Cease-Fire Line according to instructions to be issued by the IFOR Commander.

(2) The Parties shall complete withdrawal from the Agreed Cease-Fire Zone of Separation in Sarajevo within thirty (30) days after the Transfer of Authority, in accordance with Article IV, paragraph 2. The width of this Zone of Separation will be approximately one (1) kilometer on either side of the Agreed Cease-Fire Line. However, this Zone of Separation may be adjusted by the IFOR Commander either to narrow the Zone of Separation to take account of the urban area of Sarajevo or to widen the Zone of Separation up to two (2) kilometers on either side of the Agreed Cease-Fire Line to take account of more open terrain.

(3) Within the Agreed Cease-Fire Zone of Separation, no individual may retain or possess any weapons or explosives, other than a member of the IFOR or the local police exercising official duties as authorized by the IFOR in accordance with Article IV, paragraph 2(b).

(4) The Parties understand and agree that violators of subparagraphs (1), (2) and (3) above shall be subject to military action by the IFOR, including the use of necessary force to ensure compliance.

GORAZDE

(1) The Parties understand and agree that a two lane all-weather road will be constructed in the Gorazde Corridor. Until such road construction is complete, the two interim routes will be used by both Entities.

The Grid coordinates for these alternate routes are (Map References: Defense Mapping Agency 1:50,000 Topographic Line Maps, Series M709, Sheets 2782-1, 2782-2, 2782-3, 2782-4, 2881-4, 2882-1, 2882-2, 2882-3, and 2882-4; Military Grid Reference System grid coordinates referenced to World Geodetic System 84 (Horizontal Datum)):

Interim Route 1: From Gorazde (34TCP361365), proceed northeast following Highway 5 along the Drina River to the Ustipraca area (34TCP456395). At that point, proceed north on Highway 19-3 through Rogatica (34TCP393515) continuing northwest past Stienice (34TCP294565) to the road intersection at Podromanija (34TCP208652). From this point, proceed west following Highway 19 to where it enters the outskirts of Sarajevo (34TBP950601).

Interim Route 2: From Gorazde (34TCP361365), proceed south following Highway 20. Follow Highway 20 through Ustinkolina (34TCP218281). Continue south following Highway 20 passing Foca along the west bank of the Drina River (34TCP203195) to a point (34TCP175178) where the route turns west following Highway 18. From this point, follow Highway 18 south of Miljevina (34TCP097204) continuing through Trnovo (34TBP942380) north to the outskirts of Sarajevo where it enters the town at Vaskovici (34TBP868533).

There shall be complete freedom of movement along these routes for civilian traffic. The Parties shall only utilize these interim routes for military forces and equipment as authorized by and under the control and direction of the IFOR. In this regard, and in order to reduce the risk to civilian traffic, the IFOR shall have the right to manage movement of military and civilian traffic from both Entities along these routes.

(2) The Parties understand and agree that violators of subparagraph (1) shall be subject to military action by the IFOR, including the use of necessary force to ensure compliance.

(3) The Parties pledge as a confidence building measure that they shall not locate any Forces or heavy weapons as defined in paragraph 5 of this Article within two (2) kilometers of the designated interim routes. Where those routes run in or through the designated Zones of Separation, the provisions relating to Zones of Separation in this Annex shall also apply.

(d) The Parties immediately after this Annex enters into force shall begin promptly and proceed steadily to complete the following activities within thirty (30) days after the Transfer of Authority or as determined by the IFOR Commander: (1) remove, dismantle or destroy all mines, unexploded ordnance, explosive devices, demolitions, and barbed or razor wire from the Agreed Cease-Fire Zone of Separation or other areas from which their Forces are withdrawn; (2) mark all known mine emplacements, unexploded ordnance, explosive devices and demolitions within Bosnia and Herzegovina; and (3) remove, dismantle or destroy all mines, unexploded ordnance, explosive devices and demolitions as required by the IFOR Commander.

(e) The IFOR is authorized to direct that any military personnel, active or reserve, who reside within the Agreed Cease-Fire Zone of Separation register with the appropriate IFOR Command Post referred to in Article VI which is closest to their residence.

3. PHASE II (AS REQUIRED IN SPECIFIC LOCATIONS)

This phase applies to those locations where the Inter-Entity Boundary Line does not follow the Agreed Cease-Fire Line.

(a) In those locations in which, pursuant to the General Framework Agreement, areas occupied by one Entity are to be transferred to another Entity, all Forces of the withdrawing Entity shall have forty-five (45) days after the Transfer of Authority to completely vacate and clear this area. This shall include the removal of all Forces as well as the removal, dismantling or destruction of equipment, mines, obstacles, unexploded ordnance, explosive devices, demolitions, and weapons. In those areas being transferred to a different Entity, in order to provide an orderly period of transition, the Entity to which an area is transferred shall not put Forces in this area for ninety (90) days after the Transfer of Authority or as determined by the IFOR Commander. The Parties understand and agree that the IFOR shall have the right to provide the military security for these transferred areas from thirty (30) days after the Transfer of Authority until ninety-one (91) days after the Transfer of Authority, or as soon as possible as determined by the IFOR Commander, when these areas may be occupied by the Forces of the Entity to which they are transferred. Upon occupation by the Entity to which the area is transferred, a new Zone of Separation along the Inter-Entity Boundary Line as indicated on the map at Appendix A shall be established by the IFOR, and the Parties shall observe the same limitations on the presence of Forces and weapons in this Zone as apply to the Agreed Cease-Fire Zone of Separation.

(b) The IFOR is authorized to direct that any military personnel, active or reserve, who reside within the Inter-Entity Zone of Separation register with the appropriate IFOR Command Post referred to in Article VI which is closest to their residence.

4. GENERAL. The following provisions apply to Phases I and II:

(a) In order to provide visible indication, the IFOR shall supervise the selective marking of the Agreed Cease-Fire Line and its Zone of Separation, and the Inter-Entity Boundary Line and its Zone of Separation. Final authority for placement of such markers shall rest with the IFOR. All Parties understand and agree that the Agreed Cease-Fire Line and its Zone of Separation and the Inter-Entity Boundary Line and its Zone of Separation are defined by the maps and documents agreed to as part of the General Framework Agreement and not the physical location of markers.

(b) All Parties understand and agree that they shall be subject to military action by the IFOR, including the use of necessary force to ensure compliance, for:

(1) failure to remove all their Forces and unauthorized weapons from the four (4) kilometer Agreed Cease-Fire Zone of Separation within thirty (30) days after the Transfer of Authority, as provided in Article IV, paragraph 2(a) and (b) above;

(2) failure to vacate and clear areas being transferred to another Entity within forty-five (45) days after the Transfer of Authority, as provided in Article IV, paragraph 3(a) above;

(3) deploying Forces within areas transferred from another Entity earlier than ninety (90) days after the Transfer of Authority or as determined by the IFOR Commander, as provided in Article IV, paragraph 3(a) above;

(4) failure to keep all Forces and unauthorized weapons outside the Inter-Entity Zone of Separation after this Zone is declared in effect by the IFOR, as provided in Article IV, paragraph 3(a) above; or

(5) violation of the cessation of hostilities as agreed to by the Parties in Article II.

5. PHASE III

The Parties pledge as confidence building measures that they shall:

(a) within 120 days after the Transfer of Authority withdraw all heavy weapons and Forces to cantonment/barracks areas or other locations as designated by the IFOR Commander. "Heavy weapons" refers to all tanks and armored vehicles, all artillery 75 mm and above, all mortars 81 mm and above, and all anti-aircraft weapons 20 mm and above. This movement of these Forces to cantonment/barracks areas is intended to enhance mutual confidence by the Parties in the success of this Annex and help the overall cause of peace in Bosnia and Herzegovina.

(b) within 120 days after the Transfer of Authority demobilize Forces which cannot be accommodated in cantonment/barracks areas as provided in subparagraph (a) above. Demobilization shall consist of removing from the possession of these personnel all weapons, including individual weapons, explosive devices, communications equipment, vehicles, and all other military equipment. All personnel belonging to these Forces shall be released from service and shall not engage in any further training or other military activities.

6. Notwithstanding any other provision of this Annex, the Parties understand and agree that the IFOR has the right and is authorized to compel the removal, withdrawal, or relocation of specific Forces and weapons from, and to order the cessation of any activities in, any location in Bosnia and Herzegovina whenever the IFOR determines such Forces, weapons or activities to constitute a threat or potential threat to either the IFOR or its mission, or to another Party. Forces failing to redeploy, withdraw, relocate, or to cease threatening or potentially threatening activities following such a demand by the IFOR shall be subject to military action by the IFOR, including the use of necessary force to ensure compliance, consistent with the terms set forth in Article I, paragraph 3.

Article V

Notifications

1. Immediately upon establishment of the Joint Military Commission provided for in Article VIII, each Party shall furnish to the Joint Military Commission information regarding the positions and descriptions of all known unexploded ordnance, explosive devices, demolitions, minefields, booby traps, wire

entanglements, and all other physical or military hazards to the safe movement of any personnel within Bosnia and Herzegovina, as well as the location of lanes through the Agreed Cease-Fire Zone of Separation which are free of all such hazards. The Parties shall keep the Joint Military Commission updated on changes in this information.

2. Within thirty (30) days after the Transfer of Authority, each Party shall furnish to the Joint Military Commission the following specific information regarding the status of its Forces within Bosnia and Herzegovina and shall keep the Joint Military Commission updated on changes in this information:

(b) maps depicting the forward line of troops and front lines;

(c) positions and descriptions of fortifications, minefields, unexploded ordnance, explosive devices, demolitions, barriers, and other man-made obstacles, ammunition dumps, command headquarters, and communications networks within ten (10) kilometers of the Agreed Cease-Fire Line or Inter-Entity Boundary Line;

(d) positions and descriptions of all surface to air missiles/launchers, including mobile systems, anti-aircraft artillery, supporting radars and associated command and control systems;

(e) positions and descriptions of all mines, unexploded ordnance, explosive devices, demolitions, obstacles, weapons systems, vehicles, or any other military equipment which cannot be removed, dismantled or destroyed under the provisions of Article IV, paragraphs 2(d) and 3(a); and

(f) any further information of a military nature as requested by the IFOR.

3. Within 120 days after the Transfer of Authority, the Parties shall furnish to the Joint Military Commission the following specific information regarding the status of their Forces in Bosnia and Herzegovina and shall keep the Joint Military Commission updated on changes in this information:

(a) location, type, strengths of personnel and weaponry of all Forces;

(b) maps depicting the information in sub-paragraph (a) above;

(c) positions and descriptions of fortifications, minefields, unexploded ordnance, explosive devices, demolitions, barriers, and other man-made obstacles, ammunition dumps, command headquarters, and communications networks; and

(d) any further information of a military nature as requested by the IFOR.

Article VI

Deployment of the Implementation Force

1. Recognizing the need to provide for the effective implementation of the provisions of this Annex, and to ensure compliance, the United Nations Security Council is invited to authorize Member States or regional organizations and arrangements to establish the IFOR acting under Chapter VII of the United Nations Charter. The Parties understand and agree that this Implementation Force may be composed of ground, air and maritime units from NATO and non-NATO nations, deployed to Bosnia and Herzegovina to help ensure compliance with the provisions of this Annex. The Parties understand and agree that the IFOR shall have the right to deploy on either side of the Inter-Entity Boundary Line and throughout Bosnia and Herzegovina.

2. The Parties understand and agree that the IFOR shall have the right:

(a) to monitor and help ensure compliance by all Parties with this Annex (including, in particular, withdrawal and redeployment of Forces within agreed periods, and the establishment of Zones of Separation);

(b) to authorize and supervise the selective marking of the Agreed Cease-Fire Line and its Zone of Separation and the Inter-Entity Boundary Line and its Zone of Separation as established by the General Framework Agreement;

(c) to establish liaison arrangements with local civilian and military authorities and other international organizations as necessary for the accomplishment of its mission; and

(d) to assist in the withdrawal of UN Peace Forces not transferred to the IFOR, including, if necessary, the emergency withdrawal of UNCRO Forces.

3. The Parties understand and agree that the IFOR shall have the right to fulfill its supporting tasks, within the limits of its

assigned principal tasks and available resources, and on request, which include the following:

(a) to help create secure conditions for the conduct by others of other tasks associated with the peace settlement, including free and fair elections;

(b) to assist the movement of organizations in the accomplishment of humanitarian missions;

(c) to assist the UNHCR and other international organizations in their humanitarian missions;

(d) to observe and prevent interference with the movement of civilian populations, refugees, and displaced persons, and to respond appropriately to deliberate violence to life and person; and,

(e) to monitor the clearing of minefields and obstacles.

4. The Parties understand and agree that further directives from the NAC may establish additional duties and responsibilities for the IFOR in implementing this Annex.

5. The Parties understand and agree that the IFOR Commander shall have the authority, without interference or permission of any Party, to do all that the Commander judges necessary and proper, including the use of military force, to protect the IFOR and to carry out the responsibilities listed above in paragraphs 2, 3 and 4, and they shall comply in all respects with the IFOR requirements.

6. The Parties understand and agree that in carrying out its responsibilities, the IFOR shall have the unimpeded right to observe, monitor, and inspect any Forces, facility or activity in Bosnia and Herzegovina that the IFOR believes may have military capability. The refusal, interference, or denial by any Party of this right to observe, monitor, and inspect by the IFOR shall constitute a breach of this Annex and the violating Party shall be subject to military action by the IFOR, including the use of necessary force to ensure compliance with this Annex.

7. The Army of the Republic of Bosnia and Herzegovina, the Croat Defense Council Forces, and the Army of Republika Srpska shall establish Command Posts at IFOR brigade, battalion, or other levels which shall be co-located with specific IFOR command locations, as determined by the IFOR Commander. These Command Posts shall exercise command and control over all Forces of their respective sides which are located within ten (10) kilometers of the Agreed Cease-Fire Line or Inter-Entity Boundary Line, as specified by the IFOR. The Command Posts shall provide, at the

request of the IFOR, timely status reports on organizations and troop levels in their areas.

8. In addition to co-located Command Posts, the Army of the Republic of Bosnia and Herzegovina, the Croat Defense Council Forces, and the Army of Republika Srpska shall maintain liaison teams to be co-located with the IFOR Command, as determined by the IFOR Commander, for the purpose of fostering communication, and preserving the overall cessation of hostilities.

9. Air and surface movements in Bosnia and Herzegovina shall be governed by the following provisions:

(a) The IFOR shall have complete and unimpeded freedom of movement by ground, air, and water throughout Bosnia and Herzegovina. It shall have the right to bivouac, maneuver, billet, and utilize any areas or facilities to carry out its responsibilities as required for its support, training, and operations, with such advance notice as may be practicable. The IFOR and its personnel shall not be liable for any damages to civilian or government property caused by combat or combat related activities. Roadblocks, checkpoints or other impediments to IFOR freedom of movement shall constitute a breach of this Annex and the violating Party shall be subject to military action by the IFOR, including the use of necessary force to ensure compliance with this Annex.

(b) The IFOR Commander shall have sole authority to establish rules and procedures governing command and control of airspace over Bosnia and Herzegovina to enable civilian air traffic and non-combat air activities by the military or civilian authorities in Bosnia and Herzegovina, or if necessary to terminate civilian air traffic and non-combat air activities.

(1) The Parties understand and agree there shall be no military air traffic, or non-military aircraft performing military missions, including reconnaissance or logistics, without the express permission of the IFOR Commander. The only military aircraft that may be authorized to fly in Bosnia and Herzegovina are those being flown in support of the IFOR, except with the express permission of the IFOR. Any flight activities by military fixed-wing or helicopter aircraft within Bosnia and Herzegovina without the express permission of the IFOR Commander are subject to military action by the IFOR, including the use of necessary force to ensure compliance.

(2) All air early warning, air defense, or fire control radars shall be shut down within 72 hours after this Annex enters into force, and shall remain inactive unless authorized by the IFOR Commander. Any use of air traffic, air early warning, air defense or fire control radars not

authorized by the IFOR Commander shall constitute a breach of this Annex and the violating Party shall be subject to military action by the IFOR, including the use of necessary force to ensure compliance.

(3) The Parties understand and agree that the IFOR Commander will implement the transfer to civilian control of air space over Bosnia and Herzegovina to the appropriate institutions of Bosnia and Herzegovina in a gradual fashion consistent with the objective of the IFOR to ensure smooth and safe operation of an air traffic system upon IFOR departure.

(c) The IFOR Commander is authorized to promulgate appropriate rules for the control and regulation of surface military traffic throughout Bosnia and Herzegovina, including the movement of the Forces of the Parties. The Joint Military Commission referred to in Article VIII may assist in the development and promulgation of rules related to military movement.

10. The IFOR shall have the right to utilize such means and services as required to ensure its full ability to communicate and shall have the right to the unrestricted use of all of the electromagnetic spectrum for this purpose. In implementing this right, the IFOR shall make every reasonable effort to coordinate with and take into account the needs and requirements of the appropriate authorities.

11. All Parties shall accord the IFOR and its personnel the assistance, privileges, and immunities set forth at Appendix B of this Annex, including the unimpeded transit through, to, over and on the territory of all Parties.

12. All Parties shall accord any military elements as referred to in Article I, paragraph 1(c) and their personnel the assistance, privileges and immunities referred to in Article VI, paragraph 11.

Article VII

Withdrawal of UNPROFOR

It is noted that as a consequence of the forthcoming introduction of the IFOR into the Republic of Bosnia and Herzegovina, the conditions for the withdrawal of the UNPROFOR established by United Nations Security Council Resolution 743 have been met. It is requested that the United Nations, in consultation

with NATO, take all necessary steps to withdraw the UNPROFOR from Bosnia and Herzegovina, except those parts incorporated into the IFOR.

Article VIII

Establishment of a Joint Military Commission

1. A Joint Military Commission (the "Commission") shall be established with the deployment of the IFOR to Bosnia and Herzegovina.

2. The Commission shall:

(a) Serve as the central body for all Parties to this Annex to bring any military complaints, questions, or problems that require resolution by the IFOR Commander, such as allegations of cease-fire violations or other noncompliance with this Annex.

ANNEX 1-B

AGREEMENT ON REGIONAL STABILIZATION

The Republic of Bosnia and Herzegovina, the Republic of Croatia, the Federal Republic of Yugoslavia, the Federation of Bosnia and Herzegovina, and the Republika Srpska (hereinafter the "Parties") have agreed as follows:

Article I

General Obligations

The Parties agree that establishment of progressive measures for regional stability and arms control is essential to creating a stable peace in the region. To this end, they agree on the importance of devising new forms of cooperation in the field of security aimed at building transparency and confidence and achieving balanced and stable defense force levels at the lowest numbers consistent with the Parties' respective security and the need to avoid an arms race in the region. They have approved the following elements for a regional structure for stability.

Article II

Confidence- and Security-Building Measures in Bosnia and Herzegovina

Within seven days after this Agreement (hereinafter "Annex") enters into force, the Republic of Bosnia and Herzegovina, the Federation of Bosnia and Herzegovina, and the Republika Srpska shall at an appropriately high political level commence negotiations under the auspices of the Organization for Security and Cooperation in Europe (hereinafter "OSCE") to agree upon a series of measures to enhance mutual confidence and reduce the risk of conflict, drawing fully upon the 1994 Vienna Document of the Negotiations on Confidence- and Security-Building Measures of the OSCE. The objective of these negotiations is to agree upon an initial set of measures within forty-five (45) days after this

Annex enters into force including, but not necessarily limited to, the following:

(a) restrictions on military deployments and exercises in certain geographical areas;

(b) restraints on the reintroduction of foreign Forces in light of Article III of Annex 1-A to the General Framework Agreement;

(c) restrictions on locations of heavy weapons;

(d) withdrawal of Forces and heavy weapons to cantonment/barracks areas or other designated locations as provided in Article IV of Annex 1-A;

(e) notification of disbandment of special operations and armed civilian groups;

(f) notification of certain planned military activities, including international military assistance and training programs;

(g) identification of and monitoring of weapons manufacturing capabilities;

(h) immediate exchange of data on the holdings of the five Treaty on Conventional Armed Forces in Europe (hereinafter "CFE") weapons categories as defined in the CFE Treaty, with the additional understanding that artillery pieces will be defined as those of 75mm calibre and above; and

(i) immediate establishment of military liaison missions between the Chiefs of the Armed Forces of the Federation of Bosnia and Herzegovina and the Republika Srpska;

Article III

Regional Confidence- and Security-Building Measures

To supplement the measures in Article II above on a wider basis, the Parties agree to initiate steps toward a regional agreement on confidence- and security-building measures. The Parties agree:

(a) not to import any arms for ninety (90) days after this Annex enters into force;

(b) not to import for 180 days after this Annex enters into force or until the arms control agreement referred to in Article IV below takes effect, whichever is the earlier, heavy weapons or heavy weapons ammunition, mines, military aircraft, and helicopters. Heavy weapons refers to all tanks and armored vehicles, all artillery 75 mm and above, all mortars 81 mm and above, and all anti-aircraft weapons 20 mm and above.

Article IV

Measures for Sub-Regional Arms Control

1. Recognizing the importance of achieving balanced and stable defense force levels at the lowest numbers consistent with their respective security, and understanding that the establishment of a stable military balance based on the lowest level of armaments will be an essential element in preventing the recurrence of conflict, the Parties within thirty (30) days after this Annex enters into force shall commence negotiations under the auspices of the OSCE to reach early agreement on levels of armaments consistent with this goal. Within thirty (30) days after this Annex enters into force, the Parties shall also commence negotiations on an agreement establishing voluntary limits on military manpower.

2. The Parties agree that the armaments agreement should be based at a minimum on the following criteria: population size, current military armament holdings, defense needs, and relative force levels in the region.

(a) The agreement shall establish numerical limits on holdings of tanks, artillery, armored combat vehicles, combat aircraft, and attack helicopters, as defined in the relevant sections of the CFE Treaty, with the additional understanding that artillery pieces will be defined as those of 75 mm calibre and above.

(b) In order to establish a baseline, the Parties agree to report within thirty (30) days after this Annex enters into force their holdings as defined in sub-paragraph (a) above, according to the format prescribed in the 1992 Vienna Document of the OSCE.

(c) This notification format shall be supplemented to take into account the special considerations of the region.

3. The Parties agree to complete within 180 days after this Annex enters into force the negotiations above on agreed numerical limits on the categories referred to in paragraph 2(a) of this Article. If the Parties fail to agree to such limits within 180

days after this Annex enters into force, the following limits shall apply, according to a ratio of 5:2:2 based on the approximate ratio of populations of the Parties:

(a) the baseline shall be the determined holdings of the Federal Republic of Yugoslavia (hereinafter the "baseline");

(b) the limits for the Federal Republic of Yugoslavia shall be seventy-five (75) percent of the baseline;

(c) the limits for the Republic of Croatia shall be thirty (30) percent of the baseline;

(d) the limits for Bosnia and Herzegovina shall be thirty (30) percent of the baseline; and

(e) the allocations for Bosnia and Herzegovina will be divided between the Entities on the basis of a ratio of two (2) for the Federation of Bosnia and Herzegovina and one (1) for the Republika Srpska.

4. The OSCE will assist the Parties in their negotiations under Articles II and IV of this Annex and in the implementation and verification (including verification of holdings declarations) of resulting agreements.

AGREEMENT ON INTER-ENTITY BOUNDARY LINE AND RELATED ISSUES

The Republic of Bosnia and Herzegovina, the Federation of Bosnia and Herzegovina and the Republika Srpska (the "Parties") have agreed as follows:

Article I

Inter-Entity Boundary Line

The boundary between the Federation of Bosnia and Herzegovina and the Republika Srpska (the "Inter-Entity Boundary Line") shall be as delineated on the map at the Appendix.

Article II

Adjustment by the Parties

The Parties may adjust the Inter-Entity Boundary Line only by mutual consent. During the period in which the multinational military Implementation Force ("IFOR") is deployed pursuant to Annex 1-A to the General Framework Agreement, the Parties shall consult with the IFOR Commander prior to making any agreed adjustment and shall provide notification of such adjustment to the IFOR Commander.

Article III

Rivers

1. Where the Inter-Entity Boundary Line follows a river, the line shall follow natural changes (accretion or erosion) in the course of the river unless otherwise agreed. Artificial changes in the course of the river shall not affect the location

of the Inter-Entity Boundary Line unless otherwise agreed. No artificial changes may be made except by agreement among the Parties.

2. In the event of sudden natural changes in the course of the river (avulsion or cutting of new bed), the line shall be determined by mutual agreement of the Parties. If such event occurs during the period in which the IFOR is deployed, any such determination shall be subject to the approval of the IFOR Commander.

Article IV

Delineation and Marking

1. The line on the 1:50,000 scale map to be provided for the Appendix delineating the Inter-Entity Boundary Line, and the lines on the 1:50,000 scale map to be provided for Appendix A to Annex 1-A delineating the Inter-Entity Zone of Separation and the Agreed Cease-Fire Line and its Zone of Separation, which are accepted by the Parties as controlling and definitive, are accurate to within approximately 50 meters. During the period in which the IFOR is deployed, the IFOR Commander shall have the right to determine, after consultation with the Parties, the exact delineation of such Lines and Zones, provided that with respect to Sarajevo the IFOR Commander shall have the right to adjust the Zone of Separation as necessary.

2. The Lines and Zones described above may be marked by representatives of the Parties in coordination with and under the supervision of the IFOR. Final authority for placement of such markers shall rest with the IFOR. These Lines and Zones are defined by the maps and documents agreed to by the Parties and not by the physical location of markers.

3. Following entry into force of this Agreement, the Parties shall form a joint commission, comprised of an equal number of representatives from each Party, to prepare an agreed technical document containing a precise description of the Inter-Entity Boundary Line. Any such document prepared during the period in which the IFOR is deployed shall be subject to the approval of the IFOR Commander.

Article V

1. The Parties agree to binding arbitration of the disputed portion of the Inter-Entity Boundary Line in the Brcko area indicated on the map attached at the Appendix.

2. No later than six months after the entry into force of this Agreement, the Federation shall appoint one arbitrator, and the Republika Srpska shall appoint one arbitrator. A third arbitrator shall be selected by agreement of the Parties' appointees within thirty days thereafter. If they do not agree, the third arbitrator shall be appointed by the President of the International Court of Justice. The third arbitrator shall serve as presiding officer of the arbitral tribunal.

3. Unless otherwise agreed by the Parties, the proceedings shall be conducted in accordance with the UNCITRAL rules. The arbitrators shall apply relevant legal and equitable principles.

4. Unless otherwise agreed, the area indicated in paragraph 1 above shall continue to be administered as currently.

ANNEX 3

AGREEMENT ON ELECTIONS

In order to promote free, fair, and democratic elections and to lay the foundation for representative government and ensure the progressive achievement of democratic goals throughout Bosnia and Herzegovina, in accordance with relevant documents of the Organization for Security and Cooperation in Europe (OSCE), the Republic of Bosnia and Herzegovina, the Federation of Bosnia and Herzegovina and the Republika Srpska ("the Parties") have agreed as follows:

Article I

Conditions for Democratic Elections

1. The Parties shall ensure that conditions exist for the organization of free and fair elections, in particular a politically neutral environment; shall protect and enforce the right to vote in secret without fear or intimidation; shall ensure freedom of expression and of the press; shall allow and encourage freedom of association (including of political parties); and shall ensure freedom of movement.

2. The Parties request the OSCE to certify whether elections can be effective under current social conditions in both Entities and, if necessary, to provide assistance to the Parties in creating these conditions.

3. The Parties shall comply fully with paragraphs 7 and 8 of the OSCE Copenhagen Document, which are attached to this Agreement.

Article II

The OSCE Role

1. OSCE. The Parties request the OSCE to adopt and put in place an elections program for Bosnia and Herzegovina as set forth in this Agreement.

2. Elections. The Parties request the OSCE to supervise, in a manner to be determined by the OSCE and in cooperation with other international organizations the OSCE deems necessary, the preparation and conduct of elections for the House of Representatives of Bosnia and Herzegovina; for the Presidency of Bosnia and Herzegovina; for the House of Representatives of the Federation of Bosnia and Herzegovina; for the National Assembly of the Republika Srpska; for the Presidency of the Republika Srpska; and, if feasible, for cantonal legislatures and municipal governing authorities.

3. The Commission. To this end, the Parties request the OSCE to establish a Provisional Election Commission ("the Commission").

4. Timing. Elections shall take place on a date ("Election Day") six months after entry into force of this Agreement or, if the OSCE determines a delay necessary, no later than nine months after entry into force.

Article III

The Provisional Election Commission

1. Rules and Regulations. The Commission shall adopt electoral rules and regulations regarding: the registration of political parties and independent candidates; the eligibility of candidates and voters; the role of domestic and international election observers; the ensuring of an open and fair electoral campaign; and the establishment, publication, and certification of definitive election results. The Parties shall comply fully with the electoral rules and regulations, any internal laws and regulations notwithstanding.

2. Mandate of the Commission. The responsibilities of the Commission, as provided in the electoral rules and regulations, shall include:

(a) supervising all aspects of the electoral process to ensure that the structures and institutional framework for free and fair elections are in place;

(b) determining voter registration provisions;

(c) ensuring compliance with the electoral rules and regulations established pursuant to this Agreement;

(d) ensuring that action is taken to remedy any violation of any provision of this Agreement or of the electoral rules and regulations established pursuant to this Agreement, including imposing penalties against any person or body that violates such provisions; and

(e) accrediting observers, including personnel from international organizations and foreign and domestic non-governmental organizations, and ensuring that the Parties grant accredited observers unimpeded access and movement.

3. Composition and Functioning of the Commission. The Commission shall consist of the Head of the OSCE Mission, the High Representative or his or her designee, representatives of the Parties, and such other persons as the Head of the OSCE Mission, in consultation with the Parties, may decide. The Head of the OSCE Mission shall act as Chairman of the Commission. In the event of disputes within the Commission, the decision of the Chairman shall be final.

4. Privileges and Immunities. The Chairman and Commission shall enjoy the right to establish communications facilities and to engage local and administrative staff, and the status, privileges and immunities accorded to a diplomatic agent and mission under the Vienna Convention on Diplomatic Relations.

Article IV

Eligibility

1. Voters. Any citizen of Bosnia and Herzegovina aged 18 or older whose name appears on the 1991 census for Bosnia and Herzegovina shall be eligible, in accordance with electoral rules and regulations, to vote. A citizen who no longer lives in the municipality in which he or she resided in 1991 shall, as a general rule, be expected to vote, in person or by absentee ballot, in that municipality, provided that the person is determined to have been registered in that municipality as confirmed by the local election commission and the Provisional Election Commission. Such a citizen may, however, apply to the Commission to cast his or her ballot elsewhere. The exercise of a refugee's right to vote shall be interpreted as confirmation of his or her intention to return to Bosnia and Herzegovina. By Election Day, the return of refugees should already be underway, thus allowing many to participate in person in elections in Bosnia and Herzegovina. The Commission may provide in the electoral rules and regulations for citizens not listed in the 1991 census to vote.

Article V

Any commitments or statements relating to such property made under duress are null and void.

CHAPTER TWO: THE COMMISSION ON HUMAN RIGHTS
Part A: GENERAL

Article II

Establishment of the Commission

1. To assist in honoring their obligations under this Agreement, the Parties hereby establish a Commission on Human Rights (the "Commission"). The Commission shall consist of two parts: the Office of the Ombudsman and the Human Rights Chamber.

2. The Office of the Ombudsman and the Human Rights Chamber shall consider, as subsequently described:

(a) alleged or apparent violations of human rights as provided in the European Convention for the Protection of Human Rights and Fundamental Freedoms and the Protocols thereto, or

(b) alleged or apparent discrimination on any ground such as sex, race, color, language, religion, political or other opinion, national or social origin, association with a national minority, property, birth or other status arising in the enjoyment of any of the rights and freedoms provided for in the international agreements listed in the Appendix to this Annex,

where such violation is alleged or appears to have been committed by the Parties, including by any official or organ of the Parties, Cantons, Municipalities, or any individual acting under the authority of such official or organ.

3. The Parties recognize the right of all persons to submit to the Commission and to other human rights bodies applications concerning alleged violations of human rights, in accordance with the procedures of this Annex and such bodies. Article III

Facilities, Staff and Expenses

1. The Commission shall have appropriate facilities and a professionally competent staff. There shall be an Executive Officer, appointed jointly by the Ombudsman and the President of the Chamber, who shall be responsible for all necessary administrative arrangements with respect to facilities and staff. The Executive Officer shall be subject to the direction of the Ombudsman and the President of the Chamber insofar as concerns their respective administrative and professional office staff.

2. The salaries and expenses of the Commission and its staff shall be determined jointly by the Parties and shall be borne by Bosnia and Herzegovina. The salaries and expenses shall be fully adequate to implement the Commission's mandate.

3. The Commission shall have its headquarters in Sarajevo, including both the headquarters Office of the Ombudsman and the facilities for the Chamber. The Ombudsman shall have at least one additional office in the territory of the Federation and the Republika Srpska and at other locations as it deems appropriate. The Chamber may meet in other locations where it determines that the needs of a particular case so require, and may meet at any place it deems appropriate for the inspection of property, documents or other items.

4. The Ombudsman and all members of the Chamber shall not be held criminally or civilly liable for any acts carried out within the scope of their duties. When the Ombudsman and members of the Chamber are not citizens of Bosnia and Herzegovina, they and their families shall be accorded the same privileges and immunities as are enjoyed by diplomatic agents and their families under the Vienna Convention on Diplomatic Relations.

4. The Office of the Ombudsman shall be an independent agency. In carrying out its mandate, no person or organ of the Parties may interfere with its functions.

Article V

Jurisdiction of the Ombudsman

1. Allegations of violations of human rights received by the Commission shall generally be directed to the Office of the Ombudsman, except where an applicant specifies the Chamber.

2. The Ombudsman may investigate, either on his or her own initiative or in response to an allegation by any Party or person, non-governmental organization, or group of individuals claiming to be the victim of a violation by any Party or acting on behalf of alleged victims who are deceased or missing, alleged or apparent violations of human rights within the scope of paragraph 2 of Article II. The Parties undertake not to hinder in any way the effective exercise of this right.

3. The Ombudsman shall determine which allegations warrant investigation and in what priority, giving particular priority to allegations of especially severe or systematic violations and those founded on alleged discrimination on prohibited grounds.

4. The Ombudsman shall issue findings and conclusions promptly after concluding an investigation. A Party identified as violating human rights shall, within a specified period, explain in writing how it will comply with the conclusions.

5. Where an allegation is received which is within the jurisdiction of the Human Rights Chamber, the Ombudsman may refer the allegation to the Chamber at any stage.

6. The Ombudsman may also present special reports at any time to any competent government organ or official. Those receiving such reports shall reply within a time limit specified by the Ombudsman, including specific responses to any conclusions offered by the Ombudsman.

7. The Ombudsman shall publish a report, which, in the event that a person or entity does not comply with his or her conclusions and recommendations, will be forwarded to the High Representative described in Annex 10 to the General Framework Agreement while such office exists, as well as referred for further action to the Presidency of the appropriate Party. The Ombudsman may also initiate proceedings before the Human Rights Chamber based on such Report. The Ombudsman may also intervene in any proceedings before the Chamber.

Article VI

Powers

1. The Ombudsman shall have access to and may examine all official documents, including classified ones, as well as judicial and administrative files, and can require any person, including a government official, to cooperate by providing relevant information, documents and files. The Ombudsman may attend administrative hearings and meetings of other organs and may enter and inspect any place where persons deprived of their liberty are confined or work.

2. The Ombudsman and staff are required to maintain the confidentiality of all confidential information obtained, except where required by order of the Chamber, and shall treat all documents and files in accordance with applicable rules.

Part C: HUMAN RIGHTS CHAMBER

Article VII

Human Rights Chamber

1. The Human Rights Chamber shall be composed of fourteen members.

2. Within 90 days after this Agreement enters into force, the Federation of Bosnia and Herzegovina shall appoint four members and the Republika Srpska shall appoint two members. The Committee of Ministers of the Council of Europe, pursuant to its resolution (93)6, after consultation with the Parties, shall appoint the remaining members, who shall not be citizens of Bosnia and Herzegovina or any neighboring state, and shall designate one such member as the President of the Chamber.

3. All members of the Chamber shall possess the qualifications required for appointment to high judicial office or be jurists of recognized competence. The members of the Chamber shall be appointed for a term of five years and may be reappointed.

4. Members appointed after the transfer described in Article XIV below shall be appointed by the Presidency of Bosnia and Herzegovina.

Article VIII

Jurisdiction of the Chamber

1. The Chamber shall receive by referral from the Ombudsman on behalf of an applicant, or directly from any Party or person, non-governmental organization, or group of individuals claiming to be the victim of a violation by any Party or acting on behalf of alleged victims who are deceased or missing, for resolution or decision applications concerning alleged or apparent violations of human rights within the scope of paragraph 2 of Article II.

2. The Chamber shall decide which applications to accept and in what priority to address them. In so doing, the Chamber shall take into account the following criteria:

(a) Whether effective remedies exist, and the applicant has demonstrated that they have been exhausted and that the application has been filed with the Commission within six months from such date on which the final decision was taken.

(b) The Chamber shall not address any application which is substantially the same as a matter which has already been examined by the Chamber or has already been submitted to another procedure or international investigation or settlement.

(c) The Chamber shall also dismiss any application which it considers incompatible with this Agreement, manifestly ill-founded, or an abuse of the right of petition.

(d) The Chamber may reject or defer further consideration if the application concerns a matter currently pending before any other international human rights body responsible for the adjudication of applications or the decision of cases, or any other Commission established by the Annexes to the General Framework Agreement.

(e) In principle, the Chamber shall endeavor to accept and to give particular priority to allegations of especially severe or systematic violations and those founded on alleged discrimination on prohibited grounds.

(f) Applications which entail requests for provisional measures shall be reviewed as a matter of priority in order to determine (1) whether they should be accepted and, if so (2) whether high priority for the scheduling of proceedings on the provisional measures request is warranted.

2. The Chamber may decide at any point in its proceedings to suspend consideration of, reject or strike out, an application on the ground that (a) the applicant does not intend to pursue his application; (b) the matter has been resolved; or (c) for any other reason established by the Chamber, it is no longer justified to continue the examination of the application; provided that such result is consistent with the objective of respect for human rights.

Article IX

Friendly Settlement

1. At the outset of a case or at any stage during the proceedings, the Chamber may attempt to facilitate an amicable resolution of the matter on the basis of respect for the rights and freedoms referred to in this Agreement.

2. If the Chamber succeeds in effecting such a resolution, it shall publish a Report and forward it to the High Representative described in Annex 10 to the General Framework Agreement while such office exists, the OSCE and the Secretary General of the Council of Europe. Such a Report shall include a brief statement of the facts and the resolution reached. The report of a resolution in a given case may, however, be confidential in whole or in part where necessary for the protection of human rights or with the agreement of the Chamber and the parties concerned.

Article X

Proceedings before the Chamber

1. The Chamber shall develop fair and effective procedures for the adjudication of applications. Such procedures shall provide for appropriate written pleadings and, on the decision of the Chamber, a hearing for oral argument or the presentation of evidence. The Chamber shall have the power to order provisional measures, to appoint experts, and to compel the production of witnesses and evidence.

2. The Chamber shall normally sit in panels of seven, composed of two members from the Federation, one from the Republika Srpska, and four who are not citizens of Bosnia and Herzegovina or any neighboring state. When an application is decided by a panel, the full Chamber may decide, upon motion of a party to the case or the Ombudsman, to review the decision; such review may include the taking of additional evidence where the Chamber so decides. References in this Annex to the Chamber shall include, as appropriate, the Panel, except that the power to develop general rules, regulations and procedures is vested only in the Chamber as a whole.

3. Except in exceptional circumstances in accordance with its rules, hearings of the Chamber shall be held in public.

4. Applicants may be represented in proceedings by attorneys or other representatives of their choice, but shall also be personally present unless excused by the Chamber on account of hardship, impossibility, or other good cause.

5. The Parties undertake to provide all relevant information to, and to cooperate fully with, the Chamber.

Article XI

Decisions

1. Following the conclusion of the proceedings, the Chamber shall promptly issue a decision, which shall address:

(a) whether the facts found indicate a breach by the Party concerned of its obligations under this Agreement; and if so

(b) what steps shall be taken by the Party to remedy such breach, including orders to cease and desist, monetary relief (including pecuniary and non-pecuniary injuries), and provisional measures.

2. The Chamber shall make its decision by a majority of members. In the event a decision by the full Chamber results in a tie, the President of the Chamber shall cast the deciding vote.

3. Subject to review as provided in paragraph 2 of Article X, the decisions of the Chamber shall be final and binding.

4. Any member shall be entitled to issue a separate opinion on any case.

5. The Chamber shall issue reasons for its decisions. Its decisions shall be published and forwarded to the parties concerned, the High Representative described in Annex 10 to the General Framework Agreement while such office exists, the Secretary General of the Council of Europe and the OSCE.

6. The Parties shall implement fully decisions of the Chamber.

Article XII

Rules and Regulations

The Chamber shall promulgate such rules and regulations, consistent with this Agreement, as may be necessary to carry out its functions, including provisions for preliminary hearings, expedited decisions on provisional measures, decisions by panels of the Chamber, and review of decisions made by any such panels.

1. The Parties shall promote and encourage the activities of non-governmental and international organizations for the protection and promotion of human rights.

2. The Parties join in inviting the United Nations Commission on Human Rights, the OSCE, the United Nations High Commissioner for Human Rights, and other intergovernmental or regional human rights missions or organizations to monitor closely the human rights situation in Bosnia and Herzegovina, including through the establishment of local offices and the assignment of observers, rapporteurs, or other relevant persons on a permanent or mission-by-mission basis and to provide them with full and effective facilitation, assistance and access.

ANNEX 7

AGREEMENT ON REFUGEES AND DISPLACED PERSONS

The Republic of Bosnia and Herzegovina, the Federation of Bosnia and Herzegovina, and the Republika Srpska (the "Parties") have agreed as follows:

CHAPTER ONE: PROTECTION

Article I

Rights of Refugees and Displaced Persons

1. All refugees and displaced persons have the right freely to return to their homes of origin. They shall have the right to have restored to them property of which they were deprived in the course of hostilities since 1991 and to be compensated for any property that cannot be restored to them. The early return of refugees and displaced persons is an important objective of the settlement of the conflict in Bosnia and Herzegovina. The Parties confirm that they will accept the return of such persons who have left their territory, including those who have been accorded temporary protection by third countries.

2. The Parties shall ensure that refugees and displaced persons are permitted to return in safety, without risk of harassment, intimidation, persecution, or discrimination, particularly on account of their ethnic origin, religious belief, or political opinion.

3. The Parties shall take all necessary steps to prevent activities within their territories which would hinder or impede the safe and voluntary return of refugees and displaced persons. To demonstrate their commitment to securing full respect for the human rights and fundamental freedoms of all persons within their jurisdiction and creating without delay conditions suitable for return of refugees and displaced persons, the Parties shall take immediately the following confidence building measures:

(a) the repeal of domestic legislation and administrative practices with discriminatory intent or effect;

(b) the prevention and prompt suppression of any written or verbal incitement, through media or otherwise, of ethnic or religious hostility or hatred;

(c) the dissemination, through the media, of warnings against, and the prompt suppression of, acts of retribution by military, paramilitary, and police services, and by other public officials or private individuals;

(d) the protection of ethnic and/or minority populations wherever they are found and the provision of immediate access to these populations by international humanitarian organizations and monitors;

(e) the prosecution, dismissal or transfer, as appropriate, of persons in military, paramilitary, and police forces, and other public servants, responsible for serious violations of the basic rights of persons belonging to ethnic or minority groups.

4. Choice of destination shall be up to the individual or family, and the principle of the unity of the family shall be preserved. The Parties shall not interfere with the returnees' choice of destination, nor shall they compel them to remain in or move to situations of serious danger or insecurity, or to areas lacking in the basic infrastructure necessary to resume a normal life. The Parties shall facilitate the flow of information necessary for refugees and displaced persons to make informed judgments about local conditions for return.

5. The Parties call upon the United Nations High Commissioner for Refugees ("UNHCR") to develop in close consultation with asylum countries and the Parties a repatriation plan that will allow for an early, peaceful, orderly and phased return of refugees and displaced persons, which may include priorities for certain areas and certain categories of returnees. The Parties agree to implement such a plan and to conform their international agreements and internal laws to it. They accordingly call upon States that have accepted refugees to promote the early return of refugees consistent with international law.

Article II

Creation of Suitable Conditions for Return

1. The Parties undertake to create in their territories the political, economic, and social conditions conducive to the voluntary return and harmonious reintegration of refugees and displaced persons, without preference for any particular group. The Parties shall provide all possible assistance to refugees and displaced persons and work to facilitate their voluntary return in a peaceful, orderly and phased manner, in accordance with the UNHCR repatriation plan.

2. The Parties shall not discriminate against returning refugees and displaced persons with respect to conscription into military service, and shall give positive consideration to requests for exemption from military or other obligatory service based on individual circumstances, so as to enable returnees to rebuild their lives.

Article III

Cooperation with International Organizations and International Monitoring

1. The Parties note with satisfaction the leading humanitarian role of UNHCR, which has been entrusted by the Secretary-General of the United Nations with the role of coordinating among all agencies assisting with the repatriation and relief of refugees and displaced persons.

2. The Parties shall give full and unrestricted access by UNHCR, the International Committee of the Red Cross ("ICRC"), the United Nations Development Programme ("UNDP"), and other relevant international, domestic and nongovernmental organizations to all refugees and displaced persons, with a view to facilitating the work of those organizations in tracing persons, the provision of medical assistance, food distribution, reintegration assistance, the provision of temporary and permanent housing, and other activities vital to the discharge of their mandates and operational responsibilities without administrative impediments. These activities shall include traditional protection functions and the monitoring of basic human rights and humanitarian conditions, as well as the implementation of the provisions of this Chapter.

3. The Parties shall provide for the security of all personnel of such organizations.

Article IV

Repatriation Assistance

The Parties shall facilitate the provision of adequately monitored, short-term repatriation assistance on a nondiscriminatory basis to all returning refugees and displaced persons who are in need, in accordance with a plan developed by UNHCR and other relevant organizations, to enable the families and individuals returning to reestablish their lives and livelihoods in local communities.

Article V

Persons Unaccounted For

The Parties shall provide information through the tracing mechanisms of the ICRC on all persons unaccounted for. The Parties shall also cooperate fully with the ICRC in its efforts to determine the identities, whereabouts and fate of the unaccounted for.

Article VI

Amnesty

Any returning refugee or displaced person charged with a crime, other than a serious violation of international humanitarian law as defined in the Statute of the International Tribunal for the Former Yugoslavia since January 1, 1991 or a common crime unrelated to the conflict, shall upon return enjoy an amnesty. In no case shall charges for crimes be imposed for political or other inappropriate reasons or to circumvent the application of the amnesty.

CHAPTER TWO: COMMISSION FOR DISPLACED PERSONS AND REFUGEES

Article VII

Establishment of the Commission

The Parties hereby establish an independent Commission for Displaced Persons and Refugees (the "Commission"). The Commission shall have its headquarters in Sarajevo and may have offices at other locations as it deems appropriate.

Article VIII

Cooperation

The Parties shall cooperate with the work of the Commission, and shall respect and implement its decisions expeditiously and in good faith, in cooperation with relevant international and nongovernmental organizations having responsibility for the return and reintegration of refugees and displaced persons.

Article IX

1. The Commission shall be composed of nine members. Within 90 days after this Agreement enters into force, the Federation of Bosnia and Herzegovina shall appoint four members, two for a term of three years and the others for a term of four years, and the Republika Srpska shall appoint two members, one for a term of three years and the other for a term of four years. The President of the European Court of Human Rights shall appoint the remaining members, each for a term of five years, and shall designate one such member as the Chairman. The members of the Commission may be reappointed.

2. Members of the Commission must be of recognized high moral standing.

3. The Commission may sit in panels, as provided in its rules and regulations. References in this Annex to the Commission shall include, as appropriate, such panels, except that the power to promulgate rules and regulations is vested only in the Commission as a whole.

4. Members appointed after the transfer described in Article XVI below shall be appointed by the Presidency of Bosnia and Herzegovina.

Article X

3. Members of the Commission shall not be held criminally or civilly liable for any acts carried out within the scope of their duties. Members of the Commission, and their families, who are not citizens of Bosnia and Herzegovina shall be accorded the same privileges and immunities as are enjoyed by diplomatic agents and their families under the Vienna Convention on Diplomatic Relations.

4. The Commission may receive assistance from international and nongovernmental organizations, in their areas of special expertise falling within the mandate of the Commission, on terms to be agreed.

5. The Commission shall cooperate with other entities established by the General Framework Agreement, agreed by the Parties, or authorized by the United Nations Security Council.

Article XI

Mandate

The Commission shall receive and decide any claims for real property in Bosnia and Herzegovina, where the property has not voluntarily been sold or otherwise transferred since April 1, 1992, and where the claimant does not now enjoy possession of that property. Claims may be for return of the property or for just compensation in lieu of return.

Article XII

Proceedings before the Commission

1. Upon receipt of a claim, the Commission shall determine the lawful owner of the property with respect to which the claim is made and the value of that property. The Commission, through its staff or a duly designated international or nongovernmental organization, shall be entitled to have access to any and all property records in Bosnia and Herzegovina, and to any and all real property located in Bosnia and Herzegovina for purposes of inspection, evaluation and assessment related to consideration of a claim.

2. Any person requesting the return of property who is found by the Commission to be the lawful owner of that property

shall be awarded its return. Any person requesting compensation in lieu of return who is found by the Commission to be the lawful owner of that property shall be awarded just compensation as determined by the Commission. The Commission shall make decisions by a majority of its members.

3. In determining the lawful owner of any property, the Commission shall not recognize as valid any illegal property transaction, including any transfer that was made under duress, in exchange for exit permission or documents, or that was otherwise in connection with ethnic cleansing. Any person who is awarded return of property may accept a satisfactory lease arrangement rather than retake possession.

4. The Commission shall establish fixed rates that may be applied to determine the value of all real property in Bosnia and Herzegovina that is the subject of a claim before the Commission. The rates shall be based on an assessment or survey of properties in the territory of Bosnia and Herzegovina undertaken prior to April 1, 1992, if available, or may be based on other reasonable criteria as determined by the Commission.

5. The Commission shall have the power to effect any transactions necessary to transfer or assign title, mortgage, lease, or otherwise dispose of property with respect to which a claim is made, or which is determined to be abandoned. In particular, the Commission may lawfully sell, mortgage, or lease real property to any resident or citizen of Bosnia and Herzegovina, or to either Party, where the lawful owner has sought and received compensation in lieu of return, or where the property is determined to be abandoned in accordance with local law. The Commission may also lease property pending consideration and final determination of ownership.

6. In cases in which the claimant is awarded compensation in lieu of return of the property, the Commission may award a monetary grant or a compensation bond for the future purchase of real property. The Parties welcome the willingness of the international community assisting in the construction and financing of housing in Bosnia and Herzegovina to accept compensation bonds awarded by the Commission as payment, and to award persons holding such compensation bonds priority in obtaining that housing.

7. Commission decisions shall be final, and any title, deed, mortgage, or other legal instrument created or awarded by the Commission shall be recognized as lawful throughout Bosnia and Herzegovina.

8. Failure of any Party or individual to cooperate with the Commission shall not prevent the Commission from making its decision.

Article XIII

Use of Vacant Property

The Parties, after notification to the Commission and in coordination with UNHCR and other international and nongovernmental organizations contributing to relief and reconstruction, may temporarily house refugees and displaced persons in vacant property, subject to final determination of ownership by the Commission and to such temporary lease provisions as it may require.

Article XIV

Refugees and Displaced Persons Property Fund

1. A Refugees and Displaced Persons Property Fund (the "Fund") shall be established in the Central Bank of Bosnia and Herzegovina to be administered by the Commission. The Fund shall be replenished through the purchase, sale, lease and mortgage of real property which is the subject of claims before the Commission. It may also be replenished by direct payments from the Parties, or from contributions by States or international or nongovernmental organizations.

2. Compensation bonds issued pursuant to Article XII(6) shall create future liabilities on the Fund under terms and conditions to be defined by the Commission.

Article XV

Rules and Regulations

The Commission shall promulgate such rules and regulations, consistent with this Agreement, as may be necessary to carry out its functions. In developing these rules and regulations, the Commission shall consider domestic laws on property rights.

The Honorable
Warren Christopher
Secretary of State of the
United States of America

Dear Mr. Secretary:

Upon initialing of the General Framework Agreement for Peace in Bosnia and Herzegovina, I will undertake several confidence-building measures to develop ties between the Federal Republic of Yugoslavia and Bosnia and Herzegovina and to build support for the peace settlement. Toward these important ends, I am pleased to make the following commitments on behalf of the government and people of Bosnia and Herzegovina.

Release Of All Detained Non-Combatants

All detained non-combatants will be released immediately from work brigade, detention site or other formal or informal custody, as required by UN Security Council Resolution 1019 of November 9, 1995. Specifically, pursuant to the resolution, all detention camps throughout the territory of Bosnia and Herzegovina will be immediately closed, and representatives of the International Committee of the Red Cross shall be permitted (I) to register any persons detained against their will, and (II) to have access to any site it may deem important.

Customs Union

As a matter of priority, my government will participate in senior expert-level meetings to pursue the harmonization of customs policies toward establishment of a customs union between the two countries.

Hot Line

With technical assistance as offered by the United States, my government will establish a direct, secure telephone link between the Presidency of Bosnia and Herzegovina and the Presidency of the Federal Republic of Yugoslavia.

Direct Flights

My government will grant permission through appropriate national and international agencies for direct flights between Sarajevo and Belgrade. I understand

that interested countries intend to encourage international carriers to add these routes to their schedule.

High-Level Visits

I undertake to have my government organize a program of high-level visits to Sarajevo and other important sites for officials and other distinguished persons from the Federal Republic of Yugoslavia. I understand that Ambassadors from Contact Group and other interested countries will be available to participate as appropriate to help sustain international and domestic interest in the strengthening of ties between the two countries.

Economic Development

My government will take the steps necessary to establish a bilateral Commission on Economic Integration and Infrastructure Development for bilateral cooperation on nationally- and internationally-funded projects affecting both countries. In particular, the Commission will promote co-financing, joint ventures, and appropriate multilateral arrangements to develop the transportation, energy, and communications sectors in both countries.

Chamber Of Commerce

My government will actively seek the establishment of a joint Chamber of Commerce to promote trade and economic development in both countries by coordinating, where appropriate, the activities of the respective Chambers of Commerce in each country and by promoting ties with Chambers of Commerce in other countries.

Cultural And Educational Exchange

My government will actively develop student exchanges between the two countries, as well as nominate students to participate in joint exchange programs with the United States. Similarly, with support from the United States and other interested governments, my government will promote visits between the Federal Republic of Yugoslavia and Bosnia and Herzegovina for scientific, cultural, sporting, youth and similar groups. We will fully participate in the establishment and operation of a bilateral Commission on Cultural and Educational Exchange to develop programs in these areas.

Military Exchanges

In the context of regional arms control and related military confidence-building measures agreed elsewhere by Bosnia and Herzegovina and the Federal Republic of Yugoslavia, my government will promote familiarization and staff exchange visits for

officers from the armed forces of the other country. These visits will explore, among other measures, the establishment of liaison offices to each other's respective defense chiefs.

Commission Of Inquiry

My government will actively support the establishment and activities of an international commission of inquiry into the recent conflict in the former Yugoslavia. This will include participation by the governments of the states involved, as well as distinguished international experts to be named by agreement among the Republics of former Yugoslavia. The Commission's mandate will be to conduct fact-finding and other necessary studies into the causes, conduct, and consequences of the recent conflict on as broad and objective a basis as possible, and to issue a report thereon, to be made available to all interested countries and organizations. My government will cooperate fully with this Commission.

On November 20, President Izetbegovic, for the Republic of Bosnia and Herzegovina, President Tudjman, for the Republic of Croatia, President Milosevic, for the Federal Republic of Yugoslavia and for the Republika Srpska, and President Zubak, for the Federation of Bosnia and Herzegovina, initialled the Framework Agreement and its Annexes, thus establishing the initialled documents as definitive, and signifying their consent to be bound thereby and their commitment to sign the Framework Agreement and its Annexes without delay.

The parties agree to reconvene in Paris under the auspices of the Contact Group to sign the Framework Agreement and its Annexes shortly.

As evidence of their common endeavor to bring peace to the region, the participants stress the utmost importance of maintaining the cease-fire, of cooperating with all humanitarian and other organizations in Bosnia and Herzegovina, and of
