### Letter dated 6 May 2009 from the Permanent Representative of Chad to the United Nations addressed to the President of the Security Council

On instructions from my Government, I should like to request the Security Council to meet, as a matter of great urgency, to discuss the attack just perpetrated by the Sudan against my country, Chad.

This new situation, which is dangerously threatening the peace and security of the subregion in general and of Chad in particular, merits urgent attention on the part of the Council with a view to ending the Sudan's repeated acts of aggression against my country.

Ambassador  
Permanent Representative
