Resolution 824 (1993)
of 6 May 1993

The Security Council,

Reaffirming all its earlier relevant resolutions,

Reaffirming also the sovereignty, territorial integrity and political independence of the Republic of Bosnia and Herzegovina,

Having considered the report of the Security Council mission to the Republic of Bosnia and Herzegovina authorized by resolution 819 (1993) of 16 April 1993, and in particular its recommendations that the concept of safe areas be extended to other towns in need of safety,

Reaffirming again its condemnation of all violations of international humanitarian law, in particular "ethnic cleansing" and all practices conducive thereto, as well as the denial or the obstruction of access of civilians to humanitarian aid and services such as medical assistance and basic utilities,

Taking into consideration the urgent security and humanitarian needs faced by several towns in Bosnia and Herzegovina as exacerbated by the constant influx of large numbers of displaced persons including, in particular, the sick and wounded,

Taking also into consideration the formal request submitted by Bosnia and Herzegovina,

Deeply concerned at the continuing armed hostilities by Bosnian Serb paramilitary units against several towns in Bosnia and Herzegovina, and determined to ensure peace and stability throughout the country, most immediately in the towns of Sarajevo, Tuzla, Zepa, Gorazde and Bihac, as well as Srebrenica,

Convinced that the threatened towns and their surroundings should be treated as safe areas, free from armed attacks and from any other hostile acts which endanger the well-being and the safety of their inhabitants,

Aware in this context of the unique character of the city of Sarajevo, as a multicultural, multi-ethnic and pluri-religious centre which exemplifies the viability of coexistence and interrelations between all the communities of Bosnia and Herzegovina, and of the need to preserve it and avoid its further destruction,

Affirming that nothing in the present resolution should be construed as contradicting or in any way departing from the spirit or the letter of the peace plan for the Republic of Bosnia and Herzegovina,

Convinced that treating the towns referred to above as safe areas will contribute to the early implementation of the peace plan,

Convinced also that further steps must be taken as necessary to achieve the security of all such safe areas,

Recalling the provisions of resolution 815 (1993) of 30 March 1993 on the mandate of the United Nations Protection Force, and in that context acting under Chapter VII of the Charter of the United Nations,

1. Welcomes the report of the Security Council mission established pursuant to resolution 819 (1993), and in particular its recommendations concerning safe areas;

2. Demands that any taking of territory by force cease immediately;

3. Declares that the capital city of the Republic of Bosnia and Herzegovina, Sarajevo, and other such threatened areas, in particular the towns of Tuzla, Zepa, Gorazde and Bihac, as well as Srebrenica, and their surroundings should be treated as safe areas by all the parties concerned and should be free from armed attacks and from any other hostile act;

4. Also declares that in these safe areas the following should be observed:

(a) The immediate cessation of armed attacks or any hostile act against these safe areas, and the withdrawal of all Bosnian Serb military or paramilitary units from these towns to a distance wherefrom they cease to constitute a menace to their security and that of their inhabitants, to be monitored by United Nations military observers;

(b) Full respect by all parties of the rights of the United Nations Protection Force and the international humanitarian agencies to free and unimpeded access to all safe areas in Bosnia and Herzegovina and full respect for the safety of the personnel engaged in these operations;

5. Demands to that end that all parties and others concerned cooperate fully with the Force and take any necessary measures to respect these safe areas;

7. Declares its readiness, in the event of the failure by any party to comply with the present resolution, to consider immediately the adoption of any additional measures necessary with a view to its full implementation, including to ensure respect for the safety of United Nations personnel;

8. Declares that arrangements pursuant to the present resolution shall remain in force until the provisions for the cessation of hostilities, separation of forces and supervision of heavy weaponry as envisaged in the peace plan for the Republic of Bosnia and Herzegovina are implemented;

9. Decides to remain seized of the matter.

Adopted unanimously at the 3208th meeting.

Decisions

At its 3210th meeting, on 10 May 1993, the Council decided to invite the representative of Bosnia and Herzegovina to participate, without vote, in the discussion of the item entitled “The situation in the Republic of Bosnia and Herzegovina”.

At the same meeting, following consultations held earlier with the members of the Security Council, the President made the following statement on behalf of the Council:

“The Security Council, recalling its statement of 21 April 1993 concerning the atrocities and killings in areas north and west of Sarajevo, expresses its grave concern at the major new military offensive launched by Bosnian Croat paramilitary units in the areas of Mostar, Jablanica and Dreznica.

“The Council strongly condemns this major military offensive launched by Bosnian Croat paramilitary units, which is totally inconsistent with the signature of the peace plan for the Republic of Bosnia and Herzegovina by the Bosnian Croat party. The Council demands that the attacks against the areas of Mostar, Jablanica and Dreznica cease forthwith, that Bosnian Croat paramilitary units withdraw immediately from the area and that all the parties strictly comply with their previous commitments as well as with the cease-fire agreed to today between the Government of the Republic of Bosnia and Herzegovina and the Bosnian Croat party.

“The Council also expresses its deep concern that the battalion of the United Nations Protection Force (UNPROFOR) in the area has been forced under fire to redeploy as a result of this latest offensive and condemns the refusal of Bosnian Croat paramilitary units to allow the presence of United Nations military observers, in particular in the city of Mostar.

“The Council once again reiterates its demand that UNPROFOR personnel be allowed unimpeded access throughout Bosnia and Herzegovina, and in this particular case demands that the Bosnian Croat paramilitary units ensure the safety and security of UNPROFOR as well as all United Nations personnel in the areas of Mostar, Jablanica and Dreznica. In this connection, the Council expresses its deep concern at the increasing hostile attitude of Bosnian Croat paramilitary units towards UNPROFOR personnel.

“The Council calls upon the Republic of Croatia, in accordance with the commitments under the Zagreb agreement of 25 April 1993, to exert all its influence on the Bosnian Croat leadership and paramilitary units with a view to ceasing immediately their attacks particularly in the areas of Mostar, Jablanica and Dreznica. It further calls on Croatia to adhere strictly to its obligations under Council resolution 752 (1992) of 15 May 1992, including putting an end to all forms of interference and respecting the territorial integrity of Bosnia and Herzegovina.

“The Council once again reaffirms the sovereignty, territorial integrity and independence of the Republic of Bosnia and Herzegovina and the unacceptable of the acquisition of territory by force and the practice of ‘ethnic cleansing’.

“The Council remains seized of the matter and is ready to consider further measures to ensure that all parties and others concerned abide by their commitments and fully respect relevant Council decisions.”
