Adoption of the agenda

The agenda was adopted.

The situation in Cyprus

Report of the Secretary-General on the United Nations operation in Cyprus (S/2011/332)

Assessment report of the Secretary-General on the status of the negotiations in Cyprus (S/2011/112)

The President (spoke in French): The Security Council will now begin its consideration of the item on its agenda.

Members of the Council have before them document S/2011/355, which contains the text of a draft resolution submitted by China, France, the Russian Federation, the United Kingdom of Great Britain and Northern Ireland and the United States of America.

Members also have before them documents S/2011/332 and S/2011/112, which respectively contain the report of the Secretary-General on the United Nations operation in Cyprus and the assessment report of the Secretary-General on the status of the negotiations in Cyprus.

It is my understanding that the Council is ready to proceed to the vote on the draft resolution before it.

I should like to inform the Council that the presidency of the Council has met with the representatives of the parties, who have confirmed that they maintain their well-known positions vis-à-vis the item on the Council’s agenda. On the basis of those meetings, with the consent of the members of the Council, the presidency has drawn the conclusion that the Council can proceed to take a decision on the draft resolution before it. If I hear no objection, I shall put the draft resolution to the vote now.

A vote was taken by show of hands.

In favour:
Bosnia and Herzegovina, Brazil, China, Colombia, France, Gabon, Germany, India, Lebanon, Nigeria, Portugal, Russian Federation, South Africa, United Kingdom of Great Britain and Northern Ireland and United States of America.

The President (spoke in French): There were 15 votes in favour. The draft resolution has been adopted unanimously as resolution 1986 (2011).

The Security Council has thus concluded the present stage of its consideration of the item on its agenda.

The meeting rose at 10.15 a.m.
