Statement by the President of the Security Council

At the 5486th meeting of the Security Council, held on 13 July 2006 in connection with the Council’s consideration of the item entitled “The situation in Somalia”, the President of the Security Council made the following statement on behalf of the Council:

“The Security Council reaffirms all its previous statements and resolutions concerning the situation in Somalia, in particular the statement by its President of 15 March 2006 (S/PRST/2006/11).

“The Security Council reiterates its commitment to a comprehensive and lasting settlement of the situation in Somalia and its respect for the sovereignty, territorial integrity, political independence and unity of Somalia, consistent with the purposes and principles of the Charter of the United Nations.

“The Security Council reiterates its strong support for the Special Representative of the Secretary-General, Mr. François Fall. The Security Council encourages Ambassador Fall and other United Nations agencies and offices to actively engage in the region to promote peace and stability. It calls upon all Member States to provide him their full support in this regard.

“The Security Council supports the Transitional Federal Government (TFG) and Transitional Federal Parliament (TFP) as the internationally recognized authorities to restore peace, stability and governance to Somalia. It notes the importance for stability in Somalia of broad-based and representative institutions and of an inclusive political process, as envisaged in the Transitional Federal Charter (TFC).

“The Security Council welcomes the agreement reached in Khartoum on 22 June between the TFG and the Islamic Courts, sent to the Presidency of the Security Council on 29 June 2006 (S/2006/442). The Security Council commends the League of Arab States (LAS) for facilitating the talks. The Security Council condemns the recent fighting in Mogadishu and requests all parties to adhere to the ceasefire agreed on 22 June. In this regard, the Security Council emphasizes the importance of dialogue between the Transitional Federal Institutions (TFIs) and the Islamic Courts.

“The Security Council therefore urges all parties involved in this dialogue to engage constructively at the next round of talks scheduled for
15 July, where it looks forward to further progress in pursuit of a lasting political process.

“The Security Council requests all parties inside and outside of Somalia to refrain from action that could provoke or perpetuate violence and violations of human rights, endanger the ceasefire and political process, or further damage the humanitarian situation.

“The Security Council expresses its grave concern at the deteriorating humanitarian situation in Somalia, and demands that all Somali leaders ensure complete and unhindered humanitarian access, as well as providing guarantees for the safety and security of the humanitarian aid workers in Somalia.

“The Security Council commends the African Union (AU) and the Inter-Governmental Authority for Development (IGAD) for their continuing efforts to promote peace and stability in Somalia and the region. The Council notes their meetings of 19 June and 28-29 June 2006, and welcomes the role of the AU/IGAD/LAS and European Union fact-finding mission to Somalia on 5-7 July 2006 in promoting peace, stability and a political process.

“The Security Council welcomes the fact that the TFG and the TFP were able to agree on 14 June 2006 to adopt the National Security and Stabilization Plan for Somalia. The Security Council believes that the adoption of a security plan is an important step towards providing a framework for effective security sector reform in Somalia, in order to help deliver peace for all Somalis.

“The Security Council states its willingness, if it judges that a PSM would contribute to peace and stability in Somalia, to consider the above request for a PSM, on the basis of a detailed mission plan from IGAD or the AU.

“The Security Council welcomes the outcome of the first meeting of the International Contact Group on Somalia.”
