### Letter dated 30 January 2021 from the President of the Security Council addressed to the Secretary-General

I have the honour to refer to a letter dated 13 January 2021 from the President of Colombia, Iván Duque Márquez, by which he requested the Security Council to add to the mandate of the United Nations Verification Mission in Colombia the task of supporting the Special Jurisdiction for Peace in verifying compliance with sentences that the Special Jurisdiction would impose.

In its resolution [2545 \(2020\)](#), adopted on 25 September 2020, the Security Council expressed its readiness to consider the addition of that task to the mandate of the Mission, based on the outcome of the consultation process coordinated by the Government of Colombia.

In the light of the letter dated 13 January from the President of Colombia, sent on behalf of the Government of Colombia and with the agreement of the Fuerza Alternativa Revolucionaria del Común party, the members of the Security Council request you to provide for their consideration, by 26 February 2021, detailed recommendations on how that additional task would be carried out and any implications for the configuration of the Mission.

*(Signed)* Tarek **Ladeb**  
President of the Security Council
