Identical letters dated 4 January 2022 from the Permanent Representative of Israel to the United Nations addressed to the Secretary-General and the President of the Security Council

I am writing to inform you of Syrian violations of the Agreement on Disengagement between Israeli and Syrian Forces of 1974 and breaches of Israeli sovereignty in the months from July to September 2021. A comprehensive list of these violations is included in the annex to the present letter.

As outlined in the present letter, Syrian violations of the Alpha line and armed presence in the area of separation occur daily. Despite their clear visibility, and the fact that the Israel Defense Forces keep the United Nations Disengagement Observer Force (UNDOF) regularly informed of them, these violations continue to be excluded from the Secretariat's reports.

Israel is fully committed to implementing the Disengagement of Forces Agreement and all relevant Security Council resolutions, as demonstrated by the consistent reporting of the Israel Defense Forces to UNDOF.

It is imperative that future reports reflect the situation on the ground accurately and demand that the Syrian government abide by the Disengagement of Forces Agreement, as Syrian violations of that Agreement only heighten tensions in our already volatile region. I trust that future reports will document these unrelenting violations truthfully and reflect Israel's commitment to the successful implementation of the Agreement.

I should be grateful if you would have the present letter and its annex distributed as a document of the Security Council.

(Signed) Gilad Erdan

Ambassador of Israel to the United States and the United Nations
