Reaffirming its strong commitment to the sovereignty, unity and territorial integrity of Mali, *emphasizing* that the Malian authorities have primary responsibility for the provision of stability and security throughout the territory of Mali, and *underscoring* the importance of achieving national ownership of peace- and security-related initiatives,

Recalling the provisions of the Agreement on Peace and Reconciliation in Mali (“the Agreement”) calling upon the Security Council to give its full support to the Agreement, to closely monitor its implementation and, if necessary, to take measures against anyone hindering the implementation of the commitments contained therein or the realization of its objectives,

Reiterating that the United Nations, the African Union, the Economic Community of West African States (ECOWAS) and other international partners remain firmly committed to the implementation of the Agreement as a means to achieve long-term peace and stability in Mali, *commending* the role played by Algeria and other members of the international mediation team to assist the Malian parties to implement the Agreement, *emphasizing* the need for increased engagement by the members of the international mediation team for the implementation of the Agreement, *and further underlining* the central role the United Nations should continue to play to support and oversee the implementation of the Agreement by the Malian parties to the Agreement,

Expressing concern at the stalled implementation of the Agreement and threats to the ceasefire, *calling on* all parties to adhere to the Agreement and implement its provisions, and to cooperate fully with the United Nations during MINUSMA’s drawdown, withdrawal and liquidation to ensure the orderly and safe withdrawal of the mission, as well as to mitigate any negative impact of MINUSMA’s withdrawal on the Agreement,

Recalling the need for Member States to ensure that all measures taken by them to implement this resolution comply with their obligations under international law, including international humanitarian law, international human rights law and international refugee law, as applicable,

Taking note of the decisions of the Security Council Committee established pursuant to resolution [2374 \(2017\)](#) concerning Mali (“the Committee”) of
