Resolution 2648 (2022)

Adopted by the Security Council at its 9105th meeting, on 29 July 2022

The Security Council,

Recalling all of its previous resolutions, statements of its President, and press statements on the situation in the Central African Republic (CAR),

Welcoming the efforts made by the CAR authorities, in coordination with their regional and international partners, to advance the reform of the security sector (SSR), including the ongoing deployment of CAR defence and security forces, encouraging them to continue and enhance the implementation of their National Defence Plan, Force Employment Concept, and National Security Policy, and acknowledging the urgent need for the CAR authorities to train and equip their defence and security forces to be able to respond proportionately to threats to the security of all citizens in the CAR and to protect and promote human rights and prevent violations and abuses,

Reaffirming that implementation of the Political Agreement on Peace and Reconciliation in the CAR (the Peace Agreement) remains the only mechanism for achieving lasting peace and stability in the CAR, welcoming the strategic review meeting held in Bangui on 4 June 2022 on the operationalization of the roadmap adopted by the International Conference on the Great Lakes Region (ICGLR) in Luanda on 16 September 2021 under the leadership of Angola and Rwanda (‘the roadmap’) to revitalize the implementation of the Peace Agreement, recalling the announcement of a ceasefire by President Touadéra on 15 October 2021 and urging all parties to respect it, expressing concern that some signatories to the Peace Agreement continue to disregard their commitments, urging all signatories to implement the Peace Agreement in good faith and without delay, also urging all stakeholders in the CAR to engage in dialogue to make further progress toward peace, security, justice, reconciliation, inclusivity and development, and underscoring the need for international partners to support the implementation of the Peace Agreement via the roadmap, and to continue coordinating their actions with the CAR Government to bring lasting peace and stability to the CAR,

Condemning cross-border criminal activities, such as arms trafficking, illicit trade, illegal exploitation, and trafficking of natural resources, including gold, diamonds, timber, and wildlife, as well as the illicit transfer, destabilising accumulation and misuse of small arms and light weapons, that threaten the peace and stability of the CAR, also condemning the use of mercenaries and violations of international humanitarian law and human rights violations and abuses perpetrated by
them, calling upon the Government of CAR to enhance the existing collaboration with neighbouring countries to secure its borders and other entry points to prevent the cross-border flows of armed combatants, arms and conflict minerals, stressing the need for CAR authorities to finalise and implement, in cooperation with relevant partners, a strategy to tackle the illegal exploitation and smuggling of natural resources, and calling upon the government of CAR and neighbouring countries to work together to secure their borders,

Taking note of the request of the CAR authorities to lift the arms embargo expressed in their letters of 8 June 2022 and 19 July 2022, and also taking note of the positions expressed by African regional and subregional organizations in the context of their support to the peace process,

Recalling that the Security Council Committee established pursuant to resolution 2127 (2013) concerning the CAR (“the Committee”) has approved all exemption requests submitted by the CAR authorities under the framework of the arms embargo,

Encouraging the CAR authorities in their further efforts towards the attainment of the key benchmarks for the review of the arms embargo measures, established in the statement of its President of 9 April 2019 (S/PRST/2019/3) (“the key benchmarks”), stressing that each Council-mandated arms embargo is context specific and is subject to periodic review by the Security Council, and underscoring its readiness to review the arms embargo measures, through inter alia suspension or progressive lifting of these measures, affirming that the key benchmarks constitute a solid cooperation framework on reform of the security sector (SSR), the disarmament, demobilization, reintegration and repatriation (DDRR) process, and the management of weapons and ammunition in the CAR, and reiterating the need for the CAR authorities to continue improving physical protection, control, management, traceability, and accountability of weapons, ammunition and military equipment transferred to their control,

Welcoming the commitment demonstrated and the progress made by the CAR authorities, along with their regional and international partners, to achieve the key benchmarks, noting in particular progress achieved by the Commission nationale de lutte contre la prolifération des armes légères et de petit calibre, as well as progress towards an agreement on the national marking format, and encouraging the upcoming launch of a pilot marking project with the support of UNODC,

Encouraging the CAR authorities to continue with their efforts aimed at reforming their security forces, implementing the Disarmament, Demobilisation, Reintegration and Repatriation (DDRR) programme in line with the Peace Agreement via the roadmap and operating an effective weapons and ammunition management system, calling on the CAR authorities and MINUSCA to continue strengthening their coordination, and also calling on the CAR authorities to take all appropriate measures to enhance the safety and security of United Nations personnel and equipment,

Welcoming all efforts by CAR authorities towards achieving the key benchmarks in order to contribute to the advancement of the SSR process, the DDRR process and necessary weapons and ammunition management reforms, encouraging the CAR authorities to continue their progress in this regard, calling on regional and international partners to provide coordinated support to the CAR authorities in these efforts, noting in that regard the roles of MINUSCA in line with its mandate, the European Union Training Mission in the CAR (EUTM) and the African Union Observer Mission in the CAR (MOUACA), as well as joint bilateral commissions, and calling attention to the need for the CAR authorities to facilitate access by the Panel of Experts and MINUSCA to the arms and related material exported to CAR in compliance with the arms embargo, to develop an arms registration and management protocol, and to launch the process for marking and tracing weapons,
Welcoming efforts by the Panel of Experts to investigate violations of the arms embargo, and noting its intention to hold those who violate the arms embargo accountable,

Stressing that deliveries of weapons, ammunition and military equipment and the provision of technical assistance or training, to the CAR security forces and intended solely for support of or use in the CAR process of SSR, by Member States or international, regional and subregional organisations should only be used for the purposes specified in the relevant notifications and underlining their contribution to the development of CAR security sector institutions, to the response to the specific needs of the CAR defence and security forces, and to support the progressive extension of State authority, and stressing the importance of training on the proper operation of such weapons, ammunitions and military equipment to reduce risks to civilians,

Stressing that the measures imposed by this resolution are not intended to have adverse humanitarian consequences for the civilian population of the CAR,

Recalling the need for States to ensure that all measures taken by them to implement this resolution comply with their obligations under international law, including international humanitarian law, international human rights law and international refugee law, as applicable,

Welcoming the report of the Secretary-General of 16 June 2022 (S/2022/491) submitted pursuant to resolution 2605 (2021),

Taking note of the Secretary-General’s letter dated 14 June 2022 addressed to the President of the Security Council (S/2022/489) consistent with paragraph 13 of resolution 2588 (2021) and of the CAR authorities’ report addressed on 16 June 2022 to the Committee consistent with paragraph 12 of resolution 2588 (2021),

Further taking note of the final report (S/2022/527) of the Panel of Experts on the CAR established pursuant to resolution 2127 (2013), expanded by resolution 2134 (2014) and extended pursuant to resolution 2588 (2021) (“the Panel of Experts”), and taking note also of the Panel of Experts’ recommendations,
