### **Report of the Security Council Committee pursuant to resolutions 751 (1992) and 1907 (2009) concerning Somalia and Eritrea**

#### **I. Introduction**

1. The present report of the Security Council Committee pursuant to resolutions 751 (1992) and 1907 (2009) concerning Somalia and Eritrea covers the period from 1 January to 31 December 2011.
2. For 2011, the Bureau of the Committee consisted of H. S. Puri (India) as Chair, with the delegations of Lebanon and Nigeria providing the Vice-Chairs.

#### **II. Background**

3. By its resolution 733 (1992), the Security Council imposed a general and complete arms embargo on Somalia, and by its resolution 751 (1992), the Council established a Committee to oversee the implementation of the embargo. Subsequently, in its resolutions 1356 (2001), 1425 (2002), 1744 (2007), 1772 (2007), 1846 (2008), 1851 (2008) and 1916 (2010), the Council outlined certain exemptions to the embargo and further elaborated the scope of the measures.
4. By its resolution 1844 (2008), the Security Council decided that all Member States should take the necessary measures to prevent the entry into or transit through their territories of individuals designated by the Committee. The Council also decided that all Member States should freeze without delay the funds, other financial assets and economic resources owned or controlled, directly or indirectly, by the individuals or entities designated by the Committee. The Council reaffirmed the general and complete arms embargo against Somalia, including measures to prevent the supply of related training and financial and other assistance to designated individuals and entities.
5. By paragraph 8 of the same resolution, the Security Council mandated the Committee to designate individuals and entities: (a) engaging in or providing support for acts that threaten the peace, security or stability of Somalia; (b) having acted in violation of the general and complete arms embargo; and (c) obstructing the delivery of humanitarian assistance to Somalia, or access to, or distribution of, humanitarian assistance in Somalia. By its resolution 2002 (2011), the Council added to these criteria: (d) being political or military leaders recruiting or using children in armed conflicts in Somalia; and (e) being responsible for violations of international law involving the targeting of civilians, including children and women, in situations of armed conflict. The Committee was entrusted with, inter alia, the tasks of monitoring the implementation of the travel ban and assets freeze, with the support of the Monitoring Group; seeking from all Member States, in particular those in the region, information regarding the actions taken by them to implement effectively the travel ban and assets freeze; and reporting to the Council at least every 120 days on its work and on the implementation of resolution 1844 (2008).

6. On 12 April 2010, the Committee decided to list eight individuals and one entity to be subject to the travel ban, assets freeze and targeted arms embargo imposed under resolution 1844 (2008). On 28 July 2011, the Committee added two individuals to the list.

7. By resolution 2002 (2011), the Security Council decided to extend the mandate of the Monitoring Group referred to in paragraph 3 of resolution 1558 (2004), consisting of eight experts, for a period of 12 months, and expanded its mandate in line with recent resolutions.

8. On 23 December 2009, the Security Council adopted resolution 1907 (2009), by which it imposed a ban on the sale or supply to and from Eritrea of arms and related materiel, technical assistance and training. By the same resolution, the Council imposed an assets freeze, a travel ban and a targeted arms embargo on individuals and entities, including but not limited to the Eritrean political and military leadership, designated by the Committee as (a) violating the arms embargo; (b) providing support from Eritrea to armed opposition groups which aim to destabilize the region; (c) obstructing the implementation of resolution 1862 (2009) concerning Djibouti; (d) harbouring, financing, facilitating, supporting, organizing, training or inciting individuals or groups to perpetrate acts of violence or terrorist acts against other States or their citizens in the region; or (e) obstructing the investigations or work of the Monitoring Group. The Council further expanded the mandate of the Monitoring Group to monitor and report on the implementation of the measures imposed by resolution 1907 (2009).

9. As the Security Council, by resolution 1907 (2009), expanded the mandate of the Committee, it decided on 26 February 2010 to change the Committee's name to "Security Council Committee pursuant to resolutions 751 (1992) and 1907 (2009) concerning Somalia and Eritrea".

10. On 5 December 2011, the Security Council adopted resolution 2023 (2011) by which it expanded the restrictive measures for Eritrea in the area of "Diaspora tax", the Eritrean mining sector and financial services, and expanded the mandate of the Monitoring Group to monitor the implementation of those measures, and demanded that Eritrea make available information pertaining to Djiboutian combatants missing in action.

11. On 19 March 2010, the Security Council adopted resolution 1916 (2010), by which it decided, that for a period of 12 months, the assets freeze that it had imposed by paragraph 3 of resolution 1844 (2008) should not apply to the payment of funds, other financial assets or economic resources necessary to ensure the timely delivery of urgently needed humanitarian assistance in Somalia. By resolution 1972 (2011), adopted on 17 March 2011, the Council renewed that exemption for 16 months. By resolution 1916 (2010), the Council requested the United Nations Humanitarian Aid Coordinator for Somalia to report to it every 120 days on any impediments to the delivery of humanitarian assistance in Somalia. By resolution 1972 (2011), the Council requested the Emergency Relief Coordinator to report to it on the same issue by 15 November 2011 and 15 July 2012.
