

Security Council

Distr.: General
23 November 2010

Resolution 1950 (2010)

**Adopted by the Security Council at its 6429th meeting, on
23 November 2010**

The Security Council,

Recalling its previous resolutions concerning the situation in Somalia, especially resolutions 1814 (2008), 1816 (2008), 1838 (2008), 1844 (2008), 1846 (2008), 1851 (2008), 1897 (2009), and 1918 (2010), as well as the Statement of its President (S/PRST/2010/16) of 25 August 2010,

Continuing to be gravely concerned by the ongoing threat that piracy and armed robbery at sea against vessels pose to the prompt, safe, and effective delivery of humanitarian aid to Somalia and the region, to the safety of seafarers and other persons, to international navigation and the safety of commercial maritime routes, and to other vulnerable ships, including fishing activities in conformity with international law, and also gravely concerned by the extended range of the piracy threat into the western Indian Ocean and the increase in pirate capacities,

Expressing concern about the reported involvement of children in piracy off the coast of Somalia,

Recognizing that the ongoing instability in Somalia contributes to the problem of piracy and armed robbery at sea off the coast of Somalia, and stressing the need for a comprehensive response to tackle piracy and its underlying causes by the international community,

Reaffirming its respect for the sovereignty, territorial integrity, political independence and unity of Somalia, including Somalia's rights with respect to offshore natural resources, including fisheries, in accordance with international law, and stressing the importance of preventing, in accordance with international law, illegal fishing and illegal dumping, including toxic substances,

Further reaffirming that international law, as reflected in the United Nations Convention on the Law of the Sea of 10 December 1982 ("The Convention"), sets out the legal framework applicable to combating piracy and armed robbery at sea, as well as other ocean activities,

Again taking into account the crisis situation in Somalia, and the limited capacity of the Transitional Federal Government (TFG) to interdict, or upon

interdiction to prosecute pirates or to patrol or secure the waters off the coast of Somalia, including the international sea lanes and Somalia's territorial waters,

Noting the several requests from the TFG for international assistance to counter piracy off its coast, including the letter of 20 October 2010 from the Permanent Representative of Somalia to the United Nations expressing the appreciation of the TFG to the Security Council for its assistance, expressing the TFG's willingness to consider working with other States and regional organizations to combat piracy and armed robbery at sea off the coast of Somalia, and requesting that the provisions of resolution 1897 (2009) be renewed for an additional twelve months,

Commending the efforts of the EU operation Atalanta, North Atlantic Treaty Organization operations Allied Protector and Ocean Shield, Combined Maritime Forces' Combined Task Force 151, and other States acting in a national capacity in cooperation with the TFG and each other, to suppress piracy and to protect vulnerable ships transiting through the waters off the coast of Somalia, and *welcoming* the efforts of individual countries, including China, India, Islamic Republic of Iran, Japan, Malaysia, Republic of Korea, Russian Federation, Saudi Arabia, and Yemen, which have deployed ships and/or aircraft in the region, as stated in the Secretary-General's report (S/2010/394),

Welcoming the capacity building efforts made by the International Maritime Organization (IMO) Djibouti Code Trust Fund (Multi-donor trust fund — Japan initiated), and the Trust Fund Supporting Initiatives of States Countering Piracy off the Coast of Somalia, and recognizing the need for all engaged international and regional organizations to cooperate fully,

Noting with concern that the continuing limited capacity and domestic legislation to facilitate the custody and prosecution of suspected pirates after their capture has hindered more robust international action against the pirates off the coast of Somalia, and in some cases has led to pirates being released without facing justice, regardless of whether there is sufficient evidence to support prosecution, and *reiterating* that, consistent with the provisions of the Convention concerning the repression of piracy, the 1988 Convention for the Suppression of Unlawful Acts Against the Safety of Maritime Navigation ("SUA Convention") provides for parties to create criminal offences, establish jurisdiction, and accept delivery of persons responsible for or suspected of seizing or exercising control over a ship by force or threat thereof or any other form of intimidation,

Underlining the importance of continuing to enhance the collection, preservation and transmission to competent authorities of evidence of acts of piracy and armed robbery at sea off the coast of Somalia, and *welcoming* the ongoing work of IMO, INTERPOL and industry groups to develop guidance to seafarers on preservation of crime scenes following acts of piracy, and noting the importance for the successful prosecution of acts of piracy of enabling seafarers to give evidence in criminal proceedings,

Commending the Republic of Kenya and the Republic of Seychelles' efforts to prosecute suspected pirates in their national courts, welcoming the engagement of the Republic of Mauritius, and *noting* with appreciation the assistance being provided by the United Nations Office of Drugs and Crime (UNODC), the Trust Fund Supporting Initiatives of States Countering Piracy off the Coast of Somalia,

and other international organizations and donors, in coordination with the Contact Group on Piracy off the Coast of Somalia (“CGPCS”), to support Kenya, Seychelles, Somalia, and other States in the region, including Yemen, to take steps to prosecute, or incarcerate in a third state after prosecution elsewhere, captured pirates consistent with applicable international human rights law, and emphasizing the need for States and international organizations to further enhance international efforts in this regard,

Welcoming the readiness of the national and regional administrations of Somalia to cooperate with each other and with States who have prosecuted suspected pirates with a view to enabling convicted pirates to be repatriated back to Somalia under suitable prisoner transfer arrangements, consistent with applicable international law including international human rights law,

Welcoming the report of the Secretary General (S/2010/394), as requested by resolution 1918 (2010), and the ongoing efforts within the CGPCS and the United Nations Secretariat to explore possible additional mechanisms to effectively prosecute persons suspected of piracy and armed robbery at sea off the coast of Somalia,

Stressing the need for States to consider possible methods to assist the seafarers who are victims of pirates, and welcoming in this regard the ongoing work within the CGPCS and the International Maritime Organization on developing guidelines for the care of seafarers and other persons who have been subjected to acts of piracy,

Further noting with appreciation the ongoing efforts by UNODC and UNDP to support efforts to enhance the capacity of the corrections system in Somalia, including regional authorities notably with the support of the Trust Fund Supporting Initiatives of States Countering Piracy off the Coast of Somalia, to incarcerate convicted pirates consistent with applicable international human rights law,

Bearing in mind the Djibouti Code of Conduct concerning the Repression of Piracy and Armed Robbery against Ships in the Western Indian Ocean and the Gulf of Aden, and *recognizing* the efforts of signatory States to develop the appropriate regulatory and legislative frameworks to combat piracy, enhance their capacity to patrol the waters of the region, interdict suspect vessels, and prosecute suspected pirates,

Emphasizing that peace and stability within Somalia, the strengthening of State institutions, economic and social development and respect for human rights and the rule of law are necessary to create the conditions for a durable eradication of piracy and armed robbery at sea off the coast of Somalia, and *further emphasizing* that Somalia’s long-term security rests with the effective development by the TFG of the National Security Force and Somali Police Force, in the framework of the Djibouti Agreement and in line with a national security strategy,

Determining that the incidents of piracy and armed robbery at sea off the coast of Somalia exacerbate the situation in Somalia, which continues to constitute a threat to international peace and security in the region,

Acting under Chapter VII of the Charter of the United Nations,

1. *Reiterates* that it condemns and deplores all acts of piracy and armed robbery against vessels in the waters off the coast of Somalia;

2. *Recognizes* that the ongoing instability in Somalia is one of the underlying causes of the problem of piracy and contributes to the problem of piracy and armed robbery at sea off the coast of Somalia, and *stresses* the need for a comprehensive response to tackle piracy and its underlying causes by the international community;

3. *Notes again* its concern regarding the findings contained in the 20 November 2008 report of the Monitoring Group on Somalia (S/2008/769, page 55) that escalating ransom payments and the lack of enforcement of the arms embargo established by resolution 733 (1992) are fuelling the growth of piracy off the coast of Somalia, and *calls upon* all States to fully cooperate with the Somalia and Eritrea Monitoring Group including on information sharing regarding possible arms embargo violations;

4. *Renews* its call upon States and regional organizations that have the capacity to do so, to take part in the fight against piracy and armed robbery at sea off the coast of Somalia, in particular, consistent with this resolution and international law, by deploying naval vessels, arms and military aircraft and through seizures and disposition of boats, vessels, arms and other related equipment used in the commission of piracy and armed robbery at sea off the coast of Somalia, or for which there are reasonable grounds for suspecting such use;

7. *Encourages* Member States to continue to cooperate with the TFG in the fight against piracy and armed robbery at sea, notes the primary role of the TFG in the fight against piracy and armed robbery at sea, and *decides* that for a further period of twelve months from the date of this resolution to renew the authorizations as set out in paragraph 10 of resolution 1846 (2008) and paragraph 6 of resolution 1851 (2008), as renewed by resolution 1897 (2009), granted to States and regional organizations cooperating with the TFG in the fight against piracy and armed robbery at sea off the coast of Somalia, for which advance notification has been provided by the TFG to the Secretary-General;

8. *Affirms* that the authorizations renewed in this resolution apply only with respect to the situation in Somalia and shall not affect the rights or obligations or responsibilities of Member States under international law, including any rights or obligations, under the Convention, with respect to any other situation, and underscores in particular that this resolution shall not be considered as establishing customary international law; and *affirms further* that such authorizations have been

9. *Further affirms* that the measures imposed by paragraph 5 of resolution 733 (1992) and further elaborated upon by paragraphs 1 and 2 of resolution 1425 (2002) do not apply to weapons and military equipment destined for the sole use of Member States and regional organizations undertaking measures in accordance with paragraph 7 above or to supplies of technical assistance to Somalia solely for the purposes set out in paragraph 6 above which have been exempted from those measures in accordance with the procedure set out in paragraphs 11 (b) and 12 of resolution 1772 (2007);

11. *Calls on* Member States to assist Somalia, at the request of the TFG and with notification to the Secretary-General, to strengthen capacity in Somalia, including regional authorities, to bring to justice those who are using Somali territory to plan, facilitate, or undertake criminal acts of piracy and armed robbery at sea, and *stresses* that any measures undertaken pursuant to this paragraph shall be consistent with applicable international human rights law;

12. *Calls upon* all States, and in particular flag, port, and coastal States, States of the nationality of victims, and perpetrators of piracy and armed robbery, and other States with relevant jurisdiction under international law and national legislation, to cooperate in determining jurisdiction, and in the investigation and prosecution of all persons responsible for acts of piracy and armed robbery off the coast of Somalia, including anyone who incites or facilitates an act of piracy, consistent with applicable international law including international human rights law to ensure that all pirates handed over to judicial authorities are subject to a judicial process, and to render assistance by, among other actions, providing disposition and logistics assistance with respect to persons under their jurisdiction and control, such as victims and witnesses and persons detained as a result of operations conducted under this resolution;

13. *Calls upon* all States to criminalize piracy under their domestic law and to favourably consider the prosecution of suspected, and imprisonment of convicted, pirates apprehended off the coast of Somalia, consistent with applicable international law including international human rights law;

15. *Urges* all States to take appropriate actions under their existing domestic law to prevent the illicit financing of acts of piracy and the laundering of its proceeds;

16. *Urges* States, in cooperation with INTERPOL and Europol, to further investigate international criminal networks involved in piracy off the coast of Somalia, including those responsible for illicit financing and facilitation;

17. *Stresses* in this context the need to support the investigation and prosecution of those who illicitly finance, plan, organize, or unlawfully profit from pirate attacks off the coast of Somalia;

18. *Commends* the establishment of the Trust Fund Supporting the Initiatives of States Countering Piracy off the Coast of Somalia and the International Maritime Organization (IMO) Djibouti Code Trust Fund (Multi-donor trust fund — Japan initiated) and *urges* both state and non-state actors affected by piracy, most notably the international shipping community, to contribute to them;

19. *Urges* States parties to the Convention and the SUA Convention to fully implement their relevant obligations under these Conventions and customary international law and cooperate with the UNODC, IMO, and other States and other international organizations to build judicial capacity for the successful prosecution of persons suspected of piracy and armed robbery at sea off the coast of Somalia;
