The situation in the Middle East

Security Council
Sixty-first year

**Identical letters dated 6 February 2006 from the Chargé
d'affaires a.i. of the Permanent Mission of Lebanon to the
United Nations addressed to the Secretary-General and the
President of the Security Council**

On instructions from my Government, I transmit to you herewith a detailed statistical table showing the number of Israeli violations of Lebanese sovereignty which occurred during January 2006, i.e., a total of 61 violations (see annex).

These violations are in contravention of the relevant Security Council resolutions, the latest of which is resolution 1655 (2006), and go against the Secretary-General's repeated calls for their cessation, most recently in his report of 18 January 2006 (S/2006/26). Lebanon counts on the United Nations to compel Israel to desist from those violations, which constitute a threat to international peace and security, and holds Israel responsible for any consequences to which those acts may give rise.

I should be grateful if you would have this letter and its annex circulated as a document of the General Assembly, under agenda item 14, and of the Security Council.

(Signed) Caroline **Ziadeh**
Chargé d'affaires a.i.
