#### ANNEX B

#### PROTOCOL TO AGREEMENT ON DISENGAGEMENT BETWEEN ISRAELI AND SYRIAN FORCES CONCERNING THE UNITED NATIONS DISENGAGEMENT OBSERVER FORCE

Israel and Syria agree that:

The function of the United Nations Disengagement Observer Force (UNDOF) under the agreement will be to use its best efforts to maintain the ceasefire and to see that it is scrupulously observed. It will supervise the agreement and protocol thereto with regard to the areas of separation and limitation. In carrying out its mission, it will comply with generally applicable Syrian laws and regulations and will not hamper the functioning of local civil administration. It will enjoy freedom of movement and communication and other facilities that are necessary for its mission. It will be mobile and provided with personal weapons of a defensive character and shall use such weapons only in self-defence. The number of the UNDOF shall be about 1,250, who will be selected by the Secretary-General of the United Nations in consultation with the parties from members of the United Nations who are not permanent members of the Security Council.

The UNDOF will be under the command of the United Nations, vested in the Secretary-General, under the authority of the Security Council.

The UNDOF shall carry out inspections under the agreement, and report thereon to the parties, on a regular basis, not less often than once every 15 days, and, in addition, when requested by either party. It shall mark on the ground the respective lines shown on the map attached to the agreement.

Israel and Syria will support a resolution of the United Nations Security Council which will provide for the UNDOF contemplated by the agreement. The initial authorization will be for six months subject to renewal by further resolution of the Security Council.
