United States of America: draft resolution

The Security Council,

Determining that the situation in South Sudan continues to constitute a threat to international peace and security in the region,

Acting under Chapter VII of the Charter of the United Nations,

Arms Embargo

1. Decides that, for a period of one year from the date of adoption of this resolution, all Member States shall immediately take the necessary measures to prevent the direct or indirect supply, sale or transfer to the territory of South Sudan, including to the Government of South Sudan or the SPLA-IO, from or through member state’s territories or by their nationals, or using their flag vessels or aircraft, of arms and related materiel of all types, including weapons and ammunition, military vehicles and equipment, paramilitary equipment, and spare parts for the aforementioned, and technical assistance, training, financial or other assistance, related to military activities or the provision, maintenance or use of any arms and related materiel, including the provision of armed mercenary personnel whether or not originating in their territories;

2. Decides that the measure imposed in paragraph 1 of this resolution shall not apply to the supply, sale or transfer of:

(a) Arms and related materiel, as well as training and assistance, intended solely for support of or use by UN personnel, including United Nations Mission in the Republic of South Sudan (UNMISS) and the United Nations Interim Security Force for Abyei (UNISFA);

(c) Protective clothing, including flak jackets and military helmets, temporarily exported to South Sudan by United Nations personnel, representatives of the media and humanitarian and development workers and associated personnel, for their personal use only;

(d) Arms and related materiel temporarily exported to South Sudan by the forces of a State which is taking action, in accordance with international law, solely
and directly to facilitate the protection or evacuation of its nationals and those for whom it has consular responsibility in South Sudan, as notified to the Committee;

(g) Other sales or supply of arms and related materiel, or provision of assistance or personnel, as approved in advance by the Committee;

3. Stresses the importance that notifications or requests for exemptions pursuant to paragraph 2 above contain all relevant information, including the purpose of the use, the end user, the technical specifications and quantity of the equipment to be shipped and, when applicable, the supplier, the proposed date of delivery, mode of transportation and itinerary of shipments;

4. Underscores that arms shipments in violation of this resolution risk fuelling conflict and contributing to further instability, and strongly urges all Member States to take urgent action to identify and prevent such shipments within their territory;

5. Calls upon all Member States, in particular States neighbouring South Sudan, to inspect, in accordance with their national authorities and legislation and consistent with international law, in particular the law of the sea and relevant international civil aviation agreements, all cargo to South Sudan, in their territory, including seaports and airports, if the State concerned has information that provides reasonable grounds to believe the cargo contains items the supply, sale, or transfer of which is prohibited by paragraph 1 of this resolution for the purpose of ensuring strict implementation of these provisions;

6. Decides to authorize all Member States to, and that all Member States shall, upon discovery of items the supply, sale, or transfer of which is prohibited by paragraph 1 of this resolution, seize and dispose (such as through destruction, rendering inoperable, storage or transferring to a State other than the originating or destination States for disposal) of such items and decides further that all Member States shall cooperate in such efforts;

7. Requires any Member State when it undertakes an inspection pursuant to paragraph 5 of this resolution, to submit promptly an initial written report to the Committee containing, in particular, explanation of the grounds for the inspections, the results of such inspections, and whether or not cooperation was provided, and, if prohibited items for supply, sale, or transfer are found, further requires such Member States to submit to the Committee within 30 days a subsequent written report containing relevant details of the inspection, seizure, and disposal, and relevant details of the transfer, including a description of the items, their origin and intended destination, if this information is not in the initial report;

On April 23, 2016, Makuei ordered the closure of Juba International Airport, apparently to delay and obstruct the formation of the Transitional Government of National Unity. Other information: He has served as Chief of General Staff of the SPLA since April 23, 2014. In his position as the Chief of General Staff, he has expanded or extended the conflict in South Sudan through breaches of the Cessation of Hostilities Agreement and breaches of the 2015 Agreement on the Resolution of the Conflict in South Sudan (ARCSS). As of early August 2016, Malong was responsible for efforts to kill opposition leader Riek Machar. Malong, knowingly countermanding President Salva Kiir’s orders, ordered the July 10 tank, helicopter gunship, and infantry assaults on Machar’s residence and the Sudan Peoples’ Liberation Movement in Opposition (SPLM-IO)’s “Jebel” base. Malong personally oversaw efforts from SPLA headquarters to intercept Machar. As of early August, Malong wanted the SPLA to attack Machar’s suspected position immediately and informed SPLA commanders that Machar was not to be taken alive.

Other Information: Machar is the leader of the SPLA-in-Opposition. In late November 2015, Machar organized and appointed regional commanders for Equatorian militia groups. In late 2015 and early 2016, Machar was involved in resupply efforts for Equatorian rebel groups that were attacking Government forces. He was the First Vice President in the Transitional Government of National Unity from April 2016 until July 2016, when he fled after fierce fighting broke out in Juba. In September 2016, Machar’s opposition faction declared war on the South Sudanese Government and called for armed resistance. He stated that he intended to “wage a popular armed resistance against the authoritarian and fascist regime of President Salva Kiir in order to bring peace, freedom, democracy and the rule of law in the country.” Machar has entered into alliances with Equatorian rebel groups to work to overthrow the South Sudanese Government. Forces allied with Machar have raided villages and abducted civilians and aid workers.
