Resolution 2497 (2019)

Adopted by the Security Council at its 8663rd meeting, on 14 November 2019

The Security Council,

Reaffirming all previous resolutions and Presidential statements concerning the situation in Abyei and along the border between Sudan and South Sudan and underlining the importance of full compliance with and implementation of these,

Reaffirming its strong commitment to the sovereignty, independence, unity and territorial integrity of Sudan and South Sudan, and to the purposes and the principles of the Charter of the United Nations, and recalling the importance of the principles of good neighbourliness, non-interference and regional cooperation,

Reiterating that the territorial boundaries of States shall not be altered by force, and that any territorial disputes shall be settled exclusively by peaceful means, affirming the priority it attaches to the full and urgent implementation of all outstanding issues from the Comprehensive Peace Agreement (CPA), and underscoring that the future status of Abyei shall be resolved by negotiations between the parties in a manner consistent with the CPA and not by the unilateral actions of either party,

Underscoring that continued cooperation between the Government of the Republic of the Sudan and Government of the Republic of South Sudan is critical for peace, security and stability and the future relations between them, encouraging progress on improving bilateral relations and holding regular meetings of the Joint Political and Security Mechanism (JPSM) and other joint mechanisms, and calling on both governments to implement prior agreements,

Commending the continued assistance provided to the parties by the African Union (AU), the Intergovernmental Authority on Development, the Federal Democratic Republic of Ethiopia, the Special Envoy of the Secretary-General for the Horn of Africa, and the United Nations Interim Security Force for Abyei (UNISFA),

Acknowledging that over the course of the eight years since establishment of UNISFA the mission has contributed towards the stabilization and demilitarization of the Abyei Area and together with the Joint Border Verification and Monitoring Mechanism (JBVMM) played a stabilizing role along the borders between South Sudan and Sudan, and taking note of the need to reconfigure the mission to create the space for a viable political process that would also serve as an exit strategy,
Underlining that over the course of eight years the Government of Sudan and the Government of South Sudan have not made meaningful progress on the political process including failure to establish joint institutions in Abyei,

Expressing concern that the delayed full deployment of UN police to the level authorized by the Council prevents UNISFA from fulfilling its security mandate and holds the potential to create a security vacuum in Abyei, and further expressing concern about Sudan and South Sudan’s efforts to impede UNISFA from fully executing its mandate, including by withholding visas for police, blocking appointment of a civilian Deputy Head of Mission and denying access to Athony airport, which would ease UNISFA’s logistical challenges, reduce transport costs, and enhance safety and security for UNISFA personnel,

Commending the efforts of UNISFA, notwithstanding the impediments referred to in the previous paragraph, in its attempts to carry out its mandate effectively, including by its ongoing facilitation of peaceful migration throughout the Abyei Area, conflict prevention, mediation and deterrence, and strongly underscoring the unacceptability of any attack on United Nations personnel, and reiterating that such attacks, which may constitute a war crime, should be swiftly and thoroughly investigated, and that those responsible should be held to account,

Recalling that the Secretary-General’s October 2019 Report on the situation in Abyei (S/2019/817) highlights the need for a UNISFA civilian Deputy Head of Mission,

Bearing in mind that people in the Abyei Area continue to rely on humanitarian assistance, recalling that floods in October 2019 displaced approximately 40,000 people, that access for humanitarian organizations to reach people in need remains of crucial importance, and that humanitarian actors continue to provide assistance to 182,000 people in the Abyei Area,

Recalling resolutions 1325 (2000) and subsequent resolutions on women, peace, and security and emphasizing that persistent barriers to full implementation of these resolutions will only be dismantled through dedicated commitment to women’s empowerment, participation, and human rights, and through concerted leadership, consistent information and action, and support,

Recognizing that the current situation in Abyei and along the border between Sudan and South Sudan continues to constitute a threat to international peace and security,

1. **Decides** to extend until 15 May 2020 the mandate of UNISFA as set out in paragraph 2 of resolution 1990 (2011) and acting under Chapter VII of the Charter of the United Nations, further decides to extend until 15 May 2020 the tasks of UNISFA as set out in paragraph 3 of resolution 1990 (2011);

2. **Decides** to extend until 15 May 2020 UNISFA’s mandate modification set forth in resolution 2024 (2011) and paragraph 1 of resolution 2075 (2012), which provides for UNISFA’s support to the Joint Border Verification and Monitoring Mechanism (JBVMM), and further decides that this shall be the final such extension unless the parties take the specific measures described in paragraph 3;

3. **Determines** that both parties should continue to demonstrate measurable progress on border demarcation, specifically by taking the measures listed below:
   
   (1) UNISFA and JBVMM Patrols: Maintain standing clearance and achieve full freedom of movement for all air and ground patrols,

   (2) JBVMM Team Sites: Support to establish and operate a fourth team site in Abu Qussa/Wunkur,

(5) Border Crossing Corridors: Immediately open the remaining border crossing corridors per the resolutions of the 18 March 2019 JPSM, and together with UNISFA verify their functioning and free movement across the border,

(6) Border Demarcation: Hold two meetings of the Joint Demarcation Committee, develop a detailed work plan and budget for demarcation discussions, including negotiations on the disputed areas within the framework of the signed agreements,

(7) National Monitors: Maintain deployment of national monitors to participate in JBVMM operational activities;

4. Maintains the authorized troop ceiling at 3,550, and decides to allow postponement in the withdrawal of 295 troops above the authorized troop ceiling until 15 May 2020;

5. Maintains the authorized police ceiling at 640 police personnel, including 148 individual police officers and three formed police units, requests the United Nations to take necessary steps to deploy additional police sequentially in order to meet the authorized police ceiling of 640, and expresses its intention to reduce the authorized police ceiling as the Abyei Police Service is gradually established and providing effective law enforcement throughout the Abyei area;

6. Requests the Secretary-General to appoint a civilian Deputy Head of Mission for UNISFA and add additional civilian staff within existing resources to further facilitate liaison between and engagement with the parties in a manner consistent with the Agreement on Temporary Arrangements for the Administration and Security of the Abyei Area of June 2011, including agreement to establish the Abyei Police Service;

7. Demands that the Governments of Sudan and South Sudan provide full support to UNISFA in the deployment of UNISFA personnel, including by promptly issuing visas without prejudice of their nationalities, and expresses its serious concern that the Government of Sudan has not issued visas promptly to support personnel critical for the mandate of UNISFA, including police;

8. Urges that the Governments of Sudan and South Sudan facilitate basing arrangements for UNISFA in the Mission area including Anthony airport, and provide necessary flight clearances, and notes that the utilization of Anthony airport will reduce UNISFA’s transport costs and logistical challenges, facilitate MEDEVAC, official travel and air cargo needs for the Mission, increase humanitarian access, and enhance safety and security for UNISFA personnel, and further calls upon all parties to fully adhere to their obligations under the Status of Forces Agreements;

9. Expresses disappointment that the parties have obstructed full implementation of UNISFA’s mandate and taken few steps to implement the Agreement on Temporary Arrangements for the Administration and Security of the Abyei Area and to achieve a political resolution to the status of Abyei, and requests the Secretary-General consult with the parties and the African Union related to:
1. Steps Sudan and South Sudan are taking to enable UNISFA to fully execute its mandate,

The state of engagement by the African Union and African Union High-Level Implementation Panel (AUHIP) on political mediation of the Abyei dispute and Sudan and South Sudan border issues, and provide recommendations on the most appropriate framework, structure or organizational mandate for the region to provide support to the parties that will enable further progress in these areas,

12. Welcomes renewed efforts to determine conclusively the Safe Demilitarized Border Zone (SDBZ) centreline on the ground, and reiterates that the centreline of the SDBZ in no way prejudices the current or future legal status of the border, ongoing negotiations on the disputed and claimed areas, and demarcation of the borders;

13. Underscores that UNISFA’s protection of civilians mandate as set out in paragraph 3 of resolution 1990 (2011) includes taking the necessary actions to protect civilians under imminent threat of physical violence, irrespective of the source of such violence, and in that regard underlines that peacekeepers are authorized to use all necessary means, which includes the use of force when required, in order to protect civilians under threat of physical violence, in accordance with mission mandates, the United Nations Charter and other applicable international law, and stresses the importance of continued and further engagement by senior mission leadership, with a view to ensuring that all mission components and all levels of the chain of command are properly informed of, trained for, and involved in the mission’s protection of civilians mandate and their relevant responsibilities; and commending UNISFA’s efforts in that regard;

14. Condemns the intermittent presence of South Sudan security service personnel and the deployment of Diffra Oil Police units in the Abyei Area, in violation of the 20 June 2011 Agreement, as well as any entry of armed militias into the territory, and reiterates its demands that immediately and without preconditions the Government of South Sudan fully redeploy its security service personnel from the Abyei Area and that the Government of Sudan redeploy the Oil Police in Diffra from the Abyei Area, and further reiterates, in accordance with relevant resolutions, in particular resolution 1990 (2011) and resolution 2046 (2012), that the Abyei Area
