*Reaffirming* the basic principles of peacekeeping, including consent of the parties, impartiality and non-use of force, except in self-defence and defence of the mandate, *recognizing* that the mandate of each peacekeeping mission is specific to the need and situation of the country concerned, and *recalling* its Presidential Statement of 14 May 2018 (S/PRST/2018/10),

*Expressing* grave concern about the continued deterioration of the political, security and humanitarian situation in Mali, including through the persistence of a high level of attacks by terrorist groups, including Jama'at Nasr al-Islam wal Muslimin (JNIM) and Islamic State in the Greater Sahara (ISGS), in the North and in the Centre, the continuation of intercommunal violence in the Centre, and human rights violations and abuses and violations of international humanitarian law which have caused the loss of numerous innocent lives, including recently near Ménaka, Gao and Bankass, where dozens of civilians were killed, as well as numerous internally displaced persons and refugees in neighbouring countries, people in critical need of assistance and children without access to education due to school closures, and have hindered humanitarian access, *condemning* the use of mercenaries and violations of international humanitarian law and human rights abuses perpetrated by them, *expressing* concern over the extension of insecurity to Southern Mali, *further expressing* concern over the impact of the COVID-19 pandemic and the significant ongoing food crisis in Mali, and *further expressing* deep concern that the situation in Mali negatively impacts that of neighbouring countries and of the Sahel region,

*Strongly condemning* the continued attacks against civilians, representatives from local, regional and State institutions, as well as national, international and UN security forces, including the Malian Defence and Security Forces (MDSF), the G5 Sahel joint force (FC-G5S), the United Nations Multidimensional Integrated Stabilization Mission in Mali (MINUSMA), the French forces and the European Union Training Mission in Mali (EUTM Mali), *paying tribute* to the bravery and sacrifices made by the soldiers engaged in Mali and the Sahel, especially to those who lost their lives,
