

FACT SHEET ON THE 1718 DEMOCRATIC PEOPLE'S REPUBLIC OF KOREA SANCTIONS COMMITTEE (2006)

Chair (as of 1 Jan 2018)	Ambassador Karel Jan Gustaaf van Oosterom (Netherlands)
Mandate	Take appropriate action on information regarding alleged violations of sanctions measures; seek from all states information regarding the actions taken by them to implement effectively the sanctions measures; consider and decide upon notifications and requests for exemptions; designate individuals and entities and determine additional items as subject to sanctions; examine member states' reports and examine the reports presented by the Panel of Experts assisting the Committee.
Types of Sanctions	General arms embargo (w/catch-all provision); travel ban and asset freeze; embargo on all items relevant to the DPRK's nuclear, ballistic missiles and other weapons of mass destruction programmes (w/catch-all provision); financial sanctions; measures targeting proliferation networks (including obligation to expel individuals and close representative offices and restrictions targeting DPRK officials, diplomats and diplomatic missions); ban on importing from the DPRK coal, iron, iron ore, gold, titanium ore, vanadium ore, copper, nickel, silver, zinc and rare earth minerals as well as statues; ban on selling or supplying aviation fuel, jet fuel and rocket fuel to the DPRK; ban on exporting luxury goods, new helicopters or vessels to the DPRK; ban on the provision of bunkering services; ban on leasing or chartering DPRK flagged vessels or aircraft or providing crew services to the DPRK; obligation for member states to inspect cargo, de-register DPRK or controlled vessels, deny permission to aircraft carrying prohibited items to take off from, land in or overfly their territory and deny port entry for vessels owned or controlled by a designated individual and/or entity. Sanctions measures do not expire (open-ended).
Number of Listed Individuals/ Entities	80 individuals, 75 entities Most recent listings: 30 March 2018 in press a release SC/13272
Travel Ban/Asset Freeze Listing Criteria	Persons or entities engaging in or providing support for the DPRK's nuclear-related, other weapons of mass destruction-related and ballistic missile-related programmes, or by persons or entities acting on their behalf or at their direction. Persons being responsible for, including through supporting or promoting, DPRK policies in relation to its nuclear-related, ballistic missile-related and other weapons of mass destruction-related programmes. Entities and individuals that have assisted in the evasion of sanctions or in violating the provisions of resolutions 1718 and 1874.
Exemptions	<ul style="list-style-type: none"> Arms embargo including catch-all provision: food and medicine, humanitarian or livelihood purposes Travel ban: for humanitarian and religious grounds or when Committee concludes that an exemption would further the objectives of the resolution Asset freeze: for basic expenses; extraordinary expenses; expenses subject to judicial, administrative or arbitral lien or judgement, DPRK diplomatic missions Coal: transactions determined to be for livelihood purposes and not involving individuals or entities associated with prohibited programmes or other prohibited activities or coal that the procuring state confirms has originated outside the DPRK and was transported through the DPRK solely for export from the Port of Rajin (Rason) Fuel: verified essential humanitarian needs approved in advance by the Committee and sale or supply of aviation fuel to civilian passenger aircraft outside the DPRK exclusively for consumption during its flight to the DPRK and its return flight. As a general rule, the Committee is authorised to make case-by-case exemption decisions.
Delisting Procedures	Member states may at any time submit to the Committee requests for delisting of individuals and entities inscribed on the 1718 Sanctions List. Listed individuals and entities seeking to submit a request for delisting can do so either directly to the Focal Point for Delisting or through his/her state of residence or nationality. In 2017 the Committee delisted nine vessels in response to two separate requests from a member state.
Monitoring Mechanism	Panel of Experts, eight members, last appointed on 19 April 2018: Olaf Andrieu, missile technology (France) Hugh Griffiths, air transport (UK, coordinator) Dmitry Kiku, customs and export controls (Russia) Jong Kwon Youn, WMD/non-proliferation policy (Republic of Korea) Stephanie Kleine-Ahlbrandt, finance (US) Maiko Takeuchi, nuclear issues (Japan) Neil Watts, maritime transport (South Africa) Jiahu Zong, other weapons of mass destruction and conventional arms (China) Mandate was last renewed in March 2018 in resolution 2407 and expires on 24 April 2019. Most recent publicly available Panel report submitted in February 2017.
Decision-Making	Committee decisions are made by consensus. According to the Committee guidelines, decisions may be taken by a written "no-objection procedure" within five working days or in urgent situations a shorter period "but usually no less than two working days." Members can place a hold on a proposed decision, but normally not for more than six months. An extension of up to three months can be requested based on "extraordinary circumstances."
